

## Appendix 1: Declaration of Indigenous Identity

In support of an application made under Dalhousie Medical School's Indigenous Admissions Pathway, applicants may provide the following information under section 3 of the Self-Identification Policy:

*A declaration of Indigenous (status or non-status) identity by the candidate with supporting documentation from either an official in a recognized Indigenous organization or a relative in an Indigenous community with any of the aforementioned forms of documentation (see section 3).*

In support of this requirement, I, Candidate's Full Name, solemnly declare that I am an Indigenous person (status or non-status).

In support of this candidate, I, Supporter's Full Name, solemnly declare that I recognize this candidate as an Indigenous person (status or non-status), and I am (check one):

- An official in a recognized Indigenous organization, or;
- A relative in an Indigenous community (supporting documentation required as above).
