

DALHOUSIE UNIVERSITY

April 12, 2024

Dear Colleagues,

I am writing to invite you to a very special event of the Dalhousie Humanities HEALS program. We usually have a dinner to celebrate the Dr. G.W. Archibald Gold headed Cane award in the Humanities. This year, the Humanities program is hosting the Canadian Association for Health Humanities Creating Space conference May 3-5, 2024. We have decided to integrate the award as part of the conference.

As you may know, recipients for this award are nominated for their notable combination of scholarly attainments in the humanities, humanism, integration of the humanities into their professional and personal life, and service as an effective role model for others in the medical humanities.

I am delighted to let you know that this year's recipient is Dr. R. Rishi Gupta in Ophthalmology.

This year's Gold-Headed Cane Award presentation will be held Saturday May 4th, 2024, 4:30-6PM. It will start in theatre A followed by a reception in the Tupper Link. **There is no cost to attend** – it is being supported by the Humanities Program at Dalhousie University. Please come and help us recognize and celebrate Dr. Gupta.

We look forward to you joining us for this wonderful event to honour Dr. Gerald and Gale Archibald, and the Dr. G. W. Gold-headed Cane Award recipient.

With my thanks and best wishes,

Wendy Stewart MD,MMEd,PhD,FRCPC
Assistant Dean Preclerkship & Director of Humanities, DMNB
