

FUNDAMENTALS OF TEACHING PROGRAM

The Fundamentals of Teaching Program is a series of **online** courses designed to support Dalhousie medical faculty in their roles as teachers.

Course: Educating for Medical Professionalism and Wellness

February 1 – March 8, 2022 | Wrap-up webinar: March 8 from 7-8pm

Objectives:

By the end of the course, participants will be able to:

- Discuss professionalism in the context of medical education.
- Appreciate the importance of identifying and addressing lapses in professionalism in medical learners.
- Explain how physician wellness relates to professionalism.
- Identify ways to guide learners to develop into healthy and professional practitioners.

Units:

1. What is professionalism?
2. Teaching professionalism
3. Physician wellness: why it matters
4. Promoting resilience as a wellness skill

Delivery details:

Assigned readings, videos, quizzes, and reflective exercises are completed online whenever convenient for participants. Discussion boards are moderated by experienced medical educators.

Accreditation: TBC
