

Assistant Dean's Message, Dr. Lisa Sutherland, DMNB

Welcome to your residency training in New Brunswick! With collaboration with the office of Resident Affairs based in Halifax, as well as our NB teaching site representatives, the office of Student and Resident Affairs at Dalhousie Medicine New Brunswick supports the health and wellbeing of residents and fellows based in New Brunswick. We are pleased to assist Dalhousie residents based elsewhere while in NB on rotation as needed.

Residency is an exciting journey with many demanding transitions to navigate. We offer confidential assistance with personal, academic, and wellness matters along with career advising and can provide advocacy on your behalf. We welcome any questions and will work with you to make connecting with us accessible and timely.

Residents can reach me by phone (506 643-1431) or email (Sutherlandl@dal.ca) I look forward to meeting and connecting with you.
