

## Full Bio: Dr. Hughie Fraser

I am a Gastroenterologist and Assistant Professor in the Division of Digestive Care and Endoscopy within the Department of Medicine at Dalhousie University. I completed medical school in 2005 at the University of Calgary. I completed Internal Medicine training in 2008 and Gastroenterology Fellowship in 2010 at the University of Calgary. I started my practice in Bridgewater at the South Shore Regional Hospital in 2010.

I have been an active member of the Internal Medicine Department at the South Shore Regional Hospital serving as Department Head and Endoscopy Director for periods of time from 2010-2022. I am currently the Student Affairs Site Representative for the Longitudinal Integrated Clerkship on the South Shore. I am the Site Coordinator for the Internal Medicine Residency Community Rotation, Dalhousie University. I have been involved in multiple clinical trials since 2011.

I have completed training in intestinal ultrasonography and have been offering this since September 2018. I am an active member of the International Bowel Ultrasound Group and serve on the IBUS Education Committee. I am a founding member of the Canadian Intestinal Ultrasound group.

I am married and we are blessed with two wonderful children. Besides spending time as a family together, I enjoy running, cycling and staying fit. I recently completed a Virtual Everesting Cycling event in February 2022 as a fundraiser for the Health Services Foundation on the South Shore.
