

To whom it may concern,

This letter is to verify that all Dalhousie Medical Students require both a Vulnerable Sector Check and a Criminal Record Check in order to participate in the Undergraduate Medical Education program. Our student's training requires that they work with children, seniors, and vulnerable populations and it is a requirement of both the Medical School and the Health Authority to have this completed before entering.

This letter, in conjunction with an acceptance letter or confirmation of enrollment, gives permission to receive both the Vulnerable Sector Check and the Criminal Record Check.

If there are any questions or concerns, please contact me directly at 902-494-3232 or Tyler.Hall@dal.ca

Sincerely,

Tyler Hall (he/him)

Dalhousie University is located in Mi'kma'ki, the ancestral and unceded territory of the Mi'kmaq. We are all Treaty people. We recognize that African Nova Scotians are a distinct people whose histories, legacies and contributions have enriched that part of Mi'kma'ki known as Nova Scotia for over 400 years.
