

Missed Skilled Clinician Session Policy

All Skilled Clinician sessions are mandatory; this includes:

1. All hospital based small/large group sessions
 2. Any framing lectures at start of components, or extra sessions, such as auscultation, etc.
 3. IPE sessions
 4. Procedural Skills Competency Sessions
 5. Integrated History and Physical
 6. OSCE Prep
 7. OSCE
 8. Ultrasound sessions
 9. Critical Thinking sessions
- Any unexcused absence must be reported to UGME. If more than 3 sessions are missed as a result of unexcused absences, there will be a meeting with Associate Dean, UGME or Associate Dean, DMNB to create a plan to support your progress.
 - If more than half of any component small group sessions are missed as a result of unexcused absences, the student will fail the component, and have a meeting with Associate Dean, UGME or Associate Dean, DMNB to create a plan to support your progress.
 - Students who have missed any Skilled Clinician sessions are responsible for meeting the objectives of the sessions.
