

**Call for Expressions of Interest (Internal, Halifax-based physicians)  
DMNS Head Neuroscience – Med 2**

Undergraduate Medical Education (UGME) is currently seeking expressions of interest for the position of Neuroscience Unit Head.

Reporting to the Assistant Deans Pre-Clerkship, Undergraduate Medical Education (UGME), the Unit Head oversees, coordinates, and supports the delivery of the Neuroscience Unit for MED 2. This role includes working with the Neuroscience Component Heads (components include Anatomy, Physiology, and Psychiatry), Assistant Deans Pre-Clerkship, UGME staff, and others within UGME, as well as several faculty and staff across the Faculty of Medicine, Cape Breton Medical Campus (CBMC), Dalhousie Medicine New Brunswick (DMNB), and Dalhousie Medicine Nova Scotia (DMNS), among others, to ensure the academic and administrative requirements are met for this academic program.

The anticipated start date is July 1, 2026. This is a three-year, limited-term position requiring a time commitment of approximately 8 hours per week over approximately 12 weeks per year.

A full description of the position can be found on the [UGME website](#).

Please note the remuneration structure varies based on your workplace:

- DMNS faculty are remunerated according to rates determined by their respective department (based on AFP or other arrangements). If you are part of the DMNS faculty, it is recommended that you discuss with your department head to ascertain both the time commitment and the remuneration specifics.

Please forward your brief expression of interest, and CV to [samantha.nightingale@dal.ca](mailto:samantha.nightingale@dal.ca). This position is open until filled. Questions may also be addressed to Dr. Osama Loubani, [oloubani@dal.ca](mailto:oloubani@dal.ca)
