

**Call for Expressions of Interest (Internal, Halifax-based physicians)
Skilled Clinician, Med 2**

Undergraduate Medical Education (UGME) is currently seeking expressions of interest for the position of Skilled Clinician 2 Unit Head.

This position provides an exciting opportunity for faculty members with an interest in undergraduate medical education, including curriculum design, assessment and implementation. Reporting to the Assistant Dean Skilled Clinician and Interprofessional Education, the Skilled Clinician 2 Unit Head oversees, coordinates, and supports the delivery of this Unit. This role includes collaborating with the Skilled Clinician lecturers, component heads, tutors and UGME staff. The Unit Head will also work closely with the Skilled Clinician Directors (CBMC & DMNB) to ensure alignment across the three campuses. In addition, they will be responsible for simulation, procedural skills and interprofessional education within the Unit working closely with the C3LR team (i.e. Simulated patient educators, Clinical Teaching Assistants and Clinical Skills Educators) along with other health professionals in the Faculty of Health. The Skilled Clinician Unit Head will ensure the academic and administrative requirements are met for this academic program across the three sites

The anticipated start date is June 1, 2026. This is a three-year, limited-term position requiring a time commitment of approximately 8 hours per week over approximately 35 weeks per year.

A full description of the position can be found on the [UGME website](#).

Please note the remuneration structure varies based on your workplace:

- DMNS faculty are remunerated according to rates determined by their respective department (based on AFP or other arrangements). If you are part of the DMNS faculty, it is recommended that you discuss with your department head to ascertain both the time commitment and the remuneration specifics.

Please forward your brief expression of interest, and CV to samantha.nightingale@dal.ca. This position is open until March 20, 2026. Questions may also be addressed to Dr. Anu Mishra, Anuradha.Mishra@Dal.Ca
