

## DEPARTMENT OF ANESTHESIA, PAIN MANAGEMENT AND PERIOPERATIVE MEDICINE

- A complement of 80-90 anesthesiologists performing more than 78,000 procedures annually
- Full spectrum of critical care and general clinical services, serving a population of 430,000 in the Halifax area as well as patients from the other Atlantic province needing highly specialized care
- Collegial, supportive team fosters ideal environment for clinical, research and academic pursuits
- Vibrant, growing research environment

### HALIFAX, NOVA SCOTIA

The QEII Health Sciences Centre and Dalhousie University are situated in Halifax, Nova Scotia, where the benefits of big-city convenience meet the charms of small-town living. Our vibrant urban core is a stone's throw from rugged ocean vistas, creating a quality of life that is second to none. Halifax is the perfect city for recreation, adventure and sports lovers as well with its parks, trails, lakes and waterways, and sports facilities that attract major hockey, basketball, curling and other events.

Halifax boasts a rich arts and culture community, the most universities per capita in Canada, and some of the best restaurants in the country. In one day you can stroll along the ocean's edge, visit an art gallery and a museum, take in a world-class theatre production, delight your taste buds at an award-winning restaurant and visit your favourite of 200 night spots downtown.

Join us in Halifax for a lifestyle and professional experience to remember!

Department of Anesthesia, Pain Management & Perioperative Medicine

## REGIONAL ANESTHESIA & ACUTE PAIN FELLOWSHIP

QEII Health Sciences Centre, Halifax, Nova Scotia

## REGIONAL ANESTHESIA & ACUTE PAIN FELLOWSHIP

QEII Health Sciences Centre, Halifax, Nova Scotia

### THE OPPORTUNITY

The **QEII Health Sciences Centre** provides high-quality, compassionate health care to tens of thousands of Atlantic Canadians each year. Affiliated with the **Dalhousie University Faculty of Medicine**, the QEII is a centre of excellence in health research and, with more than 1,500 learners, is the largest teaching hospital in Atlantic Canada.

We are seeking a motivated and dedicated individual to join the **Department of Anesthesia, Pain Management & Perioperative Medicine** as a **regional anesthesia & acute pain fellow**. Our fellowship offers the opportunity to develop skills in peripheral and central neural blockade in the context of modern, integrated multimodal pain management, working and learning in a supportive and well-equipped environment. The fellow will be exposed to single-shot blocks, indwelling catheter techniques, ultrasound and traditional approaches.

Our regional anesthesia & acute pain fellowship offers you many opportunities to develop skills in clinical care, judgment, teaching and research.

The successful candidate will be based primarily in the Block Room at the Halifax Infirmity site of the QEII Health Sciences Centre, but will also have the opportunity to work with the Acute Pain Service and the Chronic Pain Service at the Victoria General site. In addition to spending three out of five days per week in the Block Room, the fellow will provide anesthesia care in such related areas as orthopedic, plastic and vascular surgery.

The fellow will design, initiate and perform at least one research project while in the program, with the goal of publication and/or presentation at a recognized anesthesia or regional anesthesia meeting. The program allocates non-clinical time and provides mentors for clinical, education and research goals and projects. The fellow will actively participate in departmental teaching activities and will be encouraged to attend academic conferences to further develop skills.

### THE BENEFITS

- Competitive salary
- Support and mentorship to help you meet your clinical, education and research goals
- Supported opportunities to attend professional conferences
- Established research infrastructure

Be part of a thriving anesthesia team that cultivates excellence and supports you in your efforts to achieve the same.

### CORE CLINICAL FACULTY
