

CURRICULUM VITAE

Lynette Reid, PhD (Mellon Fellow '89)

Lynette.Reid@dal.ca

Associate Professor, Department of Bioethics

Faculty of Medicine, Dalhousie University

PO Box 15000, Halifax NS B3H 4R2 Canada

Tel: (902) 494-1842; Fax: (902) 494-3865

ORCID ID: 0000-0002-3709-5061 Scopus ID: 9337103000

Current academic appointments

Associate Professor, Department of Bioethics, Dalhousie University, 2012–present

Assistant Professor, Department of Bioethics, Dalhousie University, 2006–2012

Cross-appointed, Division of Medical Education, Dalhousie University, 2007–2017.

Appointed to the Faculty of Graduate Studies, Dalhousie University, 2006–present

Visiting appointments, residencies, etc.

British Academy Visiting Fellowship, Department of History and Philosophy of Science, Cambridge University (UK), June–December 2018

Research residency, Brocher Foundation, Geneva (Switzerland), April 2018, with Wendy Rogers, Stacy Carter, and Bjorn Hoffman

Visiting Scholar, Centre for Values, Ethics and the Law in Medicine (VELiM), University of Sydney (Australia), October 2015

Visiting Scholar, Medicine, Ethics, Society and History (MESH), University of Birmingham (UK), January–May 2015

Visiting Scholar, John Dossetor Health Ethics Centre, University of Alberta, November 2014

Visiting Scholar, Joint Centre for Bioethics, University of Toronto, September–October 2014

Education

Ph.D. (Philosophy), University of Illinois at Urbana-Champaign, 1996

Dissertation: *The Determinacy of Logic in Wittgenstein's Tractatus*; Committee: Peter Winch (chair), Wright Neely, Robert Wengert

A.M. (Philosophy), University of Illinois at Urbana-Champaign, 1992

B.A. (Hons.) (Philosophy), University of Winnipeg, 1989

Research: Funded grants

Years	Grant Title	Granting Agency	Amount	Role
-------	-------------	-----------------	--------	------

2023	Exploring effective teaching methodologies that prepare medical students when faced with concern of health inequities	Centre for Learning and Teaching, Dalhousie University	\$2,803	Co-investigator with Neha Khanna and Sarah Gander. Neha Khanna (RIM student; Class of 25) is the lead researcher
2018	Cancer screening and the new paradoxes of preventive medicine	British Academy, UK	£25,314.00	Sole applicant; Visiting Fellow
2018	Conceptual and ethical challenges of Overdiagnosis	Brocher Foundation, Switzerland	In-kind only; month-long residency	Co-applicant (with Wendy Rogers, Bjorn Hofmann, and Stacy Carter)
2010–2011	Exploring Perceptions of Program Directors on Teaching and Evaluating the CanMEDS Professional role.	RCPC/ AMS CanMEDS R&D Grant.	\$16,200.	Co-Investigator (with Andrew Warren (PI), Fiona Bergin, Victoria Allen, Peggy Alexiadis-Brown, TJ (Jock) Murray, Lara Hazelton, Jerome Singleton, Darrell White, Gary Cole, Joan Sargeant, Karen Mann)
2010–2011	Perceptions of Professionalism in Non-Clinical Settings in Dalhousie’s Undergraduate Medical Education Program	DME, Faculty of Medicine, Dalhousie University	\$7,090	Co-Principal Investigator (with Fiona Bergin)
2009–2012	Ethics in Social Work Practice	SSHRC	\$219,929	Advisory Committee (PI: Merlinda Weinberg)
2008–2009	Feasibility of a blended model of ethics education for the undergraduate web-based ethics roadmap (W-BER)	DME, Faculty of Medicine, Dalhousie University	\$4,810	Principal Investigator
2007–2008	Structural Barriers: Impact on ethics for social work practice.	School of Social Work, Dalhousie	\$5,000	Collaborator (PI: Merlinda Weinberg)
2005	States of Mind: Neuroethics NET (Letter of Intent)	CIHR	\$5,000	Co-Investigator (PI: Françoise Baylis)
2005 –2009	Therapeutic Hopes and Ethical Concerns: Clinical Research in the Neurosciences	CIHR	\$500,000	Co-Investigator (PI: Françoise Baylis)

Research positions held

Senior Research Associate, Bioethics Department, Dalhousie University, Halifax NS. Project: Therapeutic Hopes and Ethical Concerns: Clinical Research in the Neurosciences. Principal Investigator: Françoise Baylis. Co-investigators: Mark Bernstein, Alan Fine, Jonathan Kimmelman, **Lynette Reid**. 2005-2006.

Research Associate, Bioethics Department, Dalhousie University, Halifax NS. Projects: Our Cells, Ourselves; Model Systems Network (both Stem Cell Network-funded research projects). Principal Investigator and supervisor: Françoise Baylis. 2004–2005.

Research Assistant, Bioethics Department, Hospital for Sick Children. Project: Accountability in Health Research involving Human Subjects. Supervisor: Randi Zlotnik Shaul. 2004.

Research Assistant. Project: Rapid HIV Testing in Labour and Delivery. Investigators: Dale Guenter, Susan King, Randi Zlotnik Shaul, Mark Yudin, Angela Barbara, Robert Remis, Carol Swantee. 2004.
Supervisor: Randi Zlotnik Shaul. 2004.

Research Assistant. CIHR-funded grant: Ethical challenges in the preparedness and response for SARS: An interdisciplinary research study. Principal Investigators: Ross Upshur and Abdallah Daar. SARS and Duty to Care Co-Investigator and Supervisor: Randi Zlotnik Shaul. 2004.

Contributions to Teaching

Teaching appointments held

Associate Professor, Department of Bioethics, Dalhousie University, 2012–present.

Assistant Professor, Department of Bioethics, Dalhousie University, 2006–2012.

Cross-appointed, Division of Medical Education, Dalhousie University, 2007–present.

Appointed to the Faculty of Graduate Studies, Dalhousie University, 2006–present.

Lecturer (while Postdoctoral Fellow), Department of Philosophy, University of Toronto, spring 1996 and spring 1997

Teaching Assistant (while PhD student), Department of Philosophy, University of Illinois, 1991–93

Teaching Assistant (while upper year undergraduate student), Department of Philosophy, University of Winnipeg, 1986–89

Invited faculty

Lecturer, Foundations, Yale Summer Institute in Bioethics. 2021 (Jul). Justice and pluralism within triage of critical care resources. Yale University, US.

Speaker, International ACED Virtual Summer School. 2020 (Jul). Ethical issues in cancer screening. Alliance for Cancer Early Detection. OHSU Knight Cancer Institute, Oregon Health & Science University, US.

Senior Faculty, Early Detection Summer School. 2019 (Jul). Solidarity in cancer screening. Cancer Research UK. University of Cambridge, UK.

Faculty, Health Technology Assessment for Decision-making. 2019 (Sep). Ethics in Health Technology Assessment. THETA. Toronto General Hospital.

Bioethics courses and medical curriculum: Highlights

Leader of two-year case diversification project, reviewing and revising 200 Med 1 & 2 CBL cases with an anti-oppressive lens; chairing expert committee; collaborating for community engagement and program evaluation. Dalhousie University Faculty of Medicine 2022–4.

Multiple faculty development sessions, webinars, rounds presentations on case diversification and anti-oppressive practice (including CPD, Family Medicine, Orthopaedic Surgery, NB Department of Medicine), 2022–present.

PHIL 4801/5801: Topics in Health Care Ethics (Ethics across the cancer control continuum), Dalhousie University, winter 2018.

Co-Unit Head with Benjamin Capps, Professional Competencies Unit, Years 1 & 2, 2015–2018.

Unit Head, Professional Competencies Unit, Years 1 & 2, 2012–14.

Co-Unit Head with George Kephart, Professional Competencies Unit, Year 2. 2011–12.
Co-Unit Head with George Kephart, Professional Competencies Unit, Year 1. 2010–11.
Course Director, Fellowship Ethics (Internal Medicine Fellowship Program ethics series), 2008–2014.
PHIL 2810: Ethics & Health Care: Social Policy. Department of Philosophy, Dalhousie University, winter 2016.
BIOT 5000.3: Graduate course: Ethics in Long-term Care. Co-taught with Christy Simpson. Department of Bioethics, Dalhousie University, winter 2010.
BIOT 5001: Graduate Course: Research Ethics. Department of Bioethics, Dalhousie University, fall 2008.
Component Head, Ethics Component, Patient-Doctor Unit (Med 1). Faculty of Medicine, Dalhousie University, 2006–2010 (Professional Competencies Unit is successor course).

- See *Teaching Dossier for full narrative of educational involvement and itemization of graduate directed readings and undergrad/postgrad/faculty development/CME teaching.*

Research supervision: Medical student electives, graduate students, resident projects

Committee member, MN thesis for Bridgit Pierce: Waiting for a liver transplant: An exploration of the lived experience of patients and their family caregivers in Atlantic Canada, 2013–14.
Supervised medical student project on futility, for Sara Shanahan, first year medical student, 2013.
Supervised medical student project on cryotherapy and the potentially pregnant patient, for Ali Manning, first year medical student, 2012.
Supervised resident project on narrative ethics, graphic novels, and professional identity formation, for Harmon Fong, Family Medicine resident, 2009–2011. Published in the *Journal of Medical Humanities*.
Supervised elective on enhancement and definition of disease, for Timothy Holland, fourth year medical student, Dalhousie University, spring 2011.
Co-supervised (with Christy Simpson) directed reading course on Ethics in Long-Term Care for Marisa Webster, M.A. student, Department of Philosophy, winter 2011.
Supervised practicum for Andrea Robertson, MSc (Bioethics) student at Joint Centre for Bioethics, University of Toronto, spring 2009.
Supervised directed reading course on topics in research ethics, for Lucie Wade, MSc student, Department of Biology, winter 2009.
External Examiner for Maja Jackson, On the Treatment of Solipsism in Ludwig Wittgenstein's *Tractatus Logico-Philosophicus*. M.A. thesis submitted to the Department of Philosophy, Dalhousie University, 2010.
Supervised ethics elective on medical error in medical education, for Christy Sutherland, fourth year medical student, spring 2008.
Supervised ethics elective on physician codes of ethics, for Matthew Tucker, second year medical student, Dalhousie University, 2008-9.
Supervised ethics elective on physicians' attitudes to death, for Mandi Irwin, fourth year medical student, spring 2007.
Supervised ethics elective on genetic testing and genetic diversity, for Timothy Holland, first year medical student, Dalhousie University, 2007-8.
Supervised research assistant, Meghan Winsby, 2006–7 (States of Mind NET). Literature review, Equipoise and the ethics of novel interventions.

External Examiner for Sarah Feldman, Simone Weil. M.A. thesis submitted to the Department of Philosophy, Dalhousie University, 2006.

Supervised research assistant, Janet Aucoin, 2005–6 (Therapeutic Hopes and Ethical Concerns).

Literature search and administrative support, Minimal risk in Canada's Tri-Council Policy Statement, Placebo-controlled surgical trials: Lessons from fetal transplantation for Parkinson's Disease, and Balancing harms and benefits in 'bad deal' trials.

Philosophy courses

Lecturer, University of Toronto, spring 1996 and spring 1997 (Russell, Frege & Wittgenstein; Social and Political Philosophy)

Teaching Assistant, University of Illinois, 1991–93 (Introduction to Philosophy; Logic & Reasoning; Social and Political Philosophy; Early Modern Philosophy)

Teaching Assistant, University of Winnipeg, 1986–89
