Research Activities

Period	Title of Contract/Grant	Granting Agency	Amount	Role
2019-2022	Developing a Unified Brain-Based Definition of Death and Evidence-Based Criteria for its Determination in Canada	Health Canada	\$624 800	Co-lead, Ethics/Legal Working Group (with Jennifer Chandler) (PI: Bojan Paunovic, Canadian Critical Care Society)

2019-2022	Legislative Strategies to Improve Deceased Donation in Canada: A Special Focus on Evaluating the Impact of Opt-Out Legislation in Nova Scotia	Health Canada	\$1 149 249	Co-lead, Activity Group #2 (PI: Gail Tomblin Murphy, Nova Scotia Health Authority)
2020-2021	A mixed methods study of stakeholders' perspectives on ethical and logistical issues related to advanced living donation in kidney transplantation in Canada, and a proposal for guidelines in a Canadian context	Canadian Institutes of Health Research, Project Grant – Priority Announcement: Patient-Oriented Research	\$100 000	Co-investigator (PI: Marie-Chantal Fortin)
2020-2022	“Head of the Class”: Equity policies, practices and discourses related to Department Chair appointments in the Dalhousie Faculty of Medicine	Living Laboratory Grant, Faculty of Medicine, Dalhousie University	\$3 595	Co-investigator (PI: Paula Cameron)
2019-2020	‘You can’t get away with that in the North’: Manifesting professional practice whilst navigating ethical issues in rural, northern, and remote communities	Centre for Health Education Scholarship, University of British Columbia	\$10 000	Co-investigator (PI: Andrea Gingerich)
2019	Merging theory with experience: ethical aspects of system disruption	SSHRC	\$20 000	Co-applicant (PI: W. Austin)
2016-2019	National study on medical end-of-life practices with Canadian physicians	Canadian Institutes of Health Research – Project Grant	\$317 267	Collaborator (PI: Isabelle Marcoux)
2013-2018	Optimizing mothers’ milk for preterm infants	Canadian Institutes of Health Research – Operating Grant	\$1 999 675	Collaborator (PIs: Deborah L. O’Connor; Sharon Unger)
2015-2016	Exploring risks and benefits of service learning for medical students and community organizations	Living Laboratory Grant, Faculty of Medicine, Dalhousie University	\$2 850	Collaborator (PI: Shawna O’Hearn)

2013-2014	Ethics program evaluation in Canada: Synthesizing research evidence and expert practice to improve ethics quality in healthcare	Canadian Institutes of Health Research – Dissemination Events	\$24 942	Scientific Advisory Council member (PI: Jennifer Gibson)
2011-2013	Organizational ethics in health care: A national survey of health executives, managers, and ethicists	Canadian Institutes of Health Research – Operating Grant	\$98 689	Co-applicant (PI: J. Gibson)
2011 - 2012	Symposium on Practicing Healthcare Ethics in Canada	Canadian Institutes of Health Research – Meetings, Planning and Dissemination Grant	\$24 855	Collaborator
2010	Sabbatical Research Grant and Sabbatical Leave Grant	Research Services, Dalhousie University	\$5 247	PI
2008 - 2010	Physician-researchers in paediatrics: A study on dual accountability	Canadian Institutes of Health Research – Ethics Seed Grant	\$38 774	Co-applicant (PI: R. Zlotnik-Shaul)
2008 – 2009	Feasibility of a blended model of ethics education for the undergraduate web-based ethics roadmap	Division of Medical Education Research and Development Fund	\$4 810	Co-investigator (PI: L. Reid)
2007	Health care professionals' descriptions of what constitutes professionalism from an ethical perspective and challenges to professional practice-Capital Health	Capital Health Ethics Support	\$2 800	Co-investigator (PI: G. Sloane)
2004 – 2008	Feasibility and Evaluation of a Web-Based Health Promotion Program to Improve Physician Health	Capital Health (Project fund) Capital Health Research Fund	\$15 000 \$15 000	Co-investigator (PI: R. Rutledge and L. Robinson)
2003 - 2005	A Survey of Parental Perceptions of the Informed Consent Process in Pediatric Bone Marrow Transplantation	The Catherine Margaret Betts Fund, IWK Health Centre, Division of Pediatric Hematology/Oncology	\$5 041	Co-investigator (PI: J. Benedict)
2002 - 2005	Hope and Advance Care Planning in End Stage Renal Disease: Conceptualizing hope in relation to prognosis and end-of-life care – a patient,	Amgen (unrestricted, educational grant to PI)	\$15 000	Co-investigator (PI: S. Davison)

	family, and health care provider perspective			
2002	Exploring Hope through Research and Art (Showcase)	Universaide '83	\$2 000	Collaborator
1999	Ethical Content and Ethical Implications of Illness and Healing: Images of Cancer	The Robert Pope Foundation	\$3 000	Co-investigator (PI: R. Langley)

Research Experience

- Hope Studies Research Affiliate, Hope Studies Program, Faculty of Education, University of Alberta (2013 -)
- Invited participant and contributor, Knowledge translation and application stage, Professional Boundaries in Relationships with Patients and Families, IWK Health Centre (2007-present)
- Research Assistant, Department of Bioethics, Dalhousie University (1997-2000)
- Research Assistant, Department of Pathology, McMaster University (1994)
- Research Assistant, Department of National Defence - Radiation Effects Section, Ottawa, ON (1993)
- Research Assistant, National Research Council - Institute of the Biological Sciences, Ottawa, ON (1992)

Academic and Public Service Activities

Committees

Department/Faculty/University

- Member, Task Force for Review and Revision of EDIA Guidelines (2024)
- Member, Peer mentorship committee, Department of Pharmacology (2024 -)
- Main organizer, Dr. Fred Barton Visiting Scholar & Lecture in Ethics (inaugural session, October 2023) (2022-)
- Member, Survey & Search Committee for Community Health & Epidemiology (2023-2024)
- Member, Tenure and Promotion Committee, CPDME (2023)
- Member, Associate Dean Reappointment Committee (2023)
- Co-chair (with Elizabeth Cowley), EDIA Leads Group, Faculty of Medicine (Feb 2023 -)
- Member, EDIA Leads Group, Faculty of Medicine (2022 -)
- Member, Faculty Development “Hub” for EDI Project Team, CPDME (2021 - 2022)
- Member, Faculty Appeals Committee (2021 -)
- Participant, Global Health Roundtable, Faculty of Medicine (December 2020)
- Member, Continuing Professional Development & Medical Education Advisory Committee (Fall 2020 -)
- Participant, Roundtable: Health Systems Change, Hosted by the Faculty of Medicine and MacEachen Institute for Public Policy and Governance, Dalhousie University (December 2020)
- Participant, Roundtable: Resisting the Elasticity to Return to Normal, Hosted by the Faculty of Medicine and MacEachen Institute for Public Policy and Governance, Dalhousie University (October 2020)
- Member, Anti-Oppression Sub-Committee (2020 -)
- Member, Catalyzing Systems Change Committee (2020 - 2023)

- Member, Associate Dean Reappointment Committee (2020)
- Chair, Diversity in Leadership Training Fund Committee (2019 – 2020; 2023-2024)
- Resource, Professional Competencies for MED I OSCE Exam (May 2019)
- Co-Chair, Diversity in Leadership Working Group (2018 - 2022)
- Contributor, UNIWeb Implementation, Faculty of Medicine (2019 - 2021)
- Member, Review Committee of the Global Health Office (2018)
- Member, Tenure and Promotion Committee, CPDME (2018)
- Chair, Survey and Search Committee for Community Health & Epidemiology (2017-2018)
- Chair, Search Committee (Assistant Professor & Health Care Ethicist position), Department of Bioethics (2017-2018)
- Member, Tenure and Promotion Committee, CPDME (2017)
- Member, Serving and Engaging Society Oversight Committee, Faculty of Medicine (2017 -)
 - Support Lead (with Shawna O’Hearn) for Doctors Nova Scotia Senior Leadership Development Project on Community Engagement (2017-2018)
- Member, Diversity Task Force (2017)
- Member, Hiring Committee for Program Manager Indigenous Health, Faculty of Medicine (2016)
- Member, Tenure and Promotion Committee, Division of Medical Education (2016)
- Member, Faculty of Medicine Interprofessional Education Advisory Committee (2016)
- Co-Chair, Service and Engagement Group, Faculty of Medicine Strategic Planning (2015 - 2017)
- Member, Sub-Committee #8 Working Group – Medical School Self Study Task Force (2015 - 2016)
- Member, Service Learning Leadership Team (2015 -)
- Member, Professionalism Group (2015 -2019)
- Member, Finance Committee, Faculty of Medicine (2012-2017)
- Member, CAACD Regulations Revisions Group (2015-2016)
- Member, CAACD IT Steering & Advisory Committee (2014-2016)
- Mentor/Resource, Student remediation paper, Faculty of Dentistry (2015)
- Member, Curriculum Mapping Project committee (2015)
- Chair, Steering Committee, Professional Competencies Unit Review (2014-2015)
- Member, Search Committee for Undergraduate Medical Education Associate Dean (2014-2015)
- Member, Undergraduate Medical Education Curriculum Committee (2014-2015)
- Member, MED I & II Committee (2014-2015)
- Member, Continuing Academic Appointment – RFP Evaluation Group (Tech solution) (2014)
- Member, Survey Committee – Community Health & Epidemiology (2014)
- Chair, Search Committee (Limited Term Position), Department of Bioethics (2013 - 2014)
- Member, Coordinated Recruitment Advisory Committee (2013 -2014)
- Chair, Continuing Appointment with Periodic Review – Annual Review Sub-committee (2012-2013)
- Member, United Church Campus Ministry Committee (2012 -)
- Member, Search Committee – Pharmacology Head, Faculty of Medicine (2011-2012)
- Member, UGME Curriculum Renewal Research Working Group (2010-2011)
- Lead facilitator and co-developer, Community Conversations (discussions with the community about the curriculum renewal process, “What Makes a Good Doctor?”; Held in Halifax, Sydney, Kentville, NS; Charlottetown, PEI; Fredericton, Saint John, NB) (2009-2010)
