MAJOR PROJECTS AND PUBLICATIONS

"First, Do No Harm" – A Qualitative Research Documentary, 2008 – 2011

Directed and Co-Produced

- Features interviews from Global Health Leaders from Europe, Africa, North and South America as well as on-site filming in Rwanda, Tanzania and Uganda
- Featured at the Consortium of Universities for Global Health, Global Health Education Consortium and Canadian Society for International Health Conference 2011
- "First, Do No Harm" has been screened all over the globe and was seen as a central feature in creating a vibrant dialogue on the ethics of Health-Service learning
- The documentary has been used as an educational tool for health professions students at many universities including Harvard, Yale and institutions around the world.
- Full documentary can be viewed at <https://vimeo.com/22008886>

2018 Revision of the Canadian Medical Association's "Code of Ethics and Professionalism"

- The first major revision of the CMA's Code of Ethics since 1996
- This revision also marked the 150th Anniversary of the original CMA Code of Ethics
- Expanded to Code of Ethics *and Professionalism*. The first time this has been done by a national medical association.
