LEARNING OBJECTIVES FOR THIS SESSION:

At the end of this session, participants will be able to:

- Describe events affecting the current status of informed consent in health care
- Identify relevant considerations that impact the nature and role of informed consent
- Discuss possible strategies and approaches that may improve informed consent

ACCREDITATION

This one-credit-per-hour Group Learning program meets the certification criteria of the College of Family Physicians of Canada and has been certified by Dalhousie University Continuing Professional Development and Medical Education for up to 2.25 MAINPRO+ credits.

As an accredited provider, Dalhousie University Continuing Professional Development and Medical Education, designates this continuing professional development activity for up to 2.25 credit hours as an accredited group learning Section 1 activity as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada.

Through an agreement between the Royal College of Physicians and Surgeons of Canada and the American Medical Association, physicians may convert Royal College MOC credits to AMA PRA Category 1 Credits™. Information on the process to convert Royal College MOC credit to AMA credit can be found online at edhub.ama-assn.org.

In keeping with CMA Guidelines, program content and selection of speakers are the responsibility of the planning committee. Support is directed toward the costs of the course and not to individual speakers through an unrestricted educational grant.

Educationally approved/co-sponsored by Dalhousie University Continuing Professional Development and Medical Education
