

Policies and Procedures

Subject: Non-Residents Requesting Academic or Clinical Experience Provided by the Family Medicine Program	
Created: May 2008	Revised: Feb 2011, May 2023
Reviewed and approved by the Residency Program Committee: April 2026	Next review date: April 2029

Individuals who are not enrolled in an educational program will not be permitted to attend academic sessions or clinical experiences designed for family medicine residents unless the individual is a recent graduate of a Dalhousie Family Medicine Residency Program who requires support with exam preparation.
