ATTN: Dalhousie FM-PGY2s, and family doctors in practice:

RE: APPLY NOW! FM-PGY3 Care of the Elderly (CoE) training position (2018/2019).

Dalhousie Family Medicine is accepting applications from current Dalhousie FM-PGY2 residents who are graduating before July 1, 2018, or family doctors in practice, for an FM-PGY3 in Care of the Elderly (CoE) training position for the 2018/2019 academic year. The duration of training is 12 months (1 year), full-time, beginning on July 1, 2018.

Previous CoE graduates were assigned to a variety of clinical learning experiences, such as:

- Geriatric Ambulatory Unit
- Geriatric Community
- Geriatric Consults Service
- Geriatric Assessment (inpatient) Unit
- Geriatric Day Hospital
- Geriatric Memory Clinic
- Palliative Care
- Psychiatry Senior's Mental Health
- Selective (Long Term Care)
- Electives

The trainee will be registered as a Dalhousie Family Medicine PGY3 resident in Care of Elderly and paid a salary according to the Maritime Resident Doctor's collective agreement.

If you are a current Dalhousie FM-PGY2 who is interested in this opportunity, please complete and submit the following documents:

1. Application for Care of the Elderly Training (1 page)
2. Application for Postgraduate Medical Training (3 pages)
3. Official medical school transcript
4. Dalhousie Family Medicine Site Director's Letter (In lieu of Dean's Letter)
5. Two recent reference letters (sent directly by your referees to our office)

Application packages should be submitted (email, fax, or mail) to:
