

Boundary Issues

AT the completion of this seminar, the resident will be able to describe and discuss the important boundary issues surrounding:

1. Self-disclosure to patients
2. Physician is tempted to go overboard in caring for patient
3. Sexual attraction to a patient
4. Appropriate and inappropriate touching of patients
5. Providing medical care to friends, family, other MDs, acquaintances
6. Inappropriate appointment scheduling
7. Gifts
8. Appropriate and inappropriate use of power in the relationship

Feedback and suggested modifications for these objectives are encouraged after each session. Please direct your comments to your site Curriculum Coordinator.
