Form-I: Resident Project Proposal.

All family medicine residents are required to complete a resident project as part of their residency program requirements. The purpose of the resident project is to introduce the resident to the process of finding answers to questions commonly encountered in primary care.

Residents are expected to submit a written paper and give an oral presentation at their site's project presentation event in their final year of residency.

Types of Projects:

- Literature Appraisal/EBM Review
- Position Paper/Essay
- Educational Tool
- Practice Quality Improvement Project/Audit
- Research Project

Please submit this one45 form no later than the first Tuesday in November of your PGY1 year.
