Locum Infectious Diseases Clinician
July 1, 2020 – June 30, 2021
Department of Medicine
Dalhousie University / Nova Scotia Health Authority

The Department of Medicine, Dalhousie University / Nova Scotia Health Authority seeks applications for a one year locum Infectious Diseases Clinician at the QEII Health Sciences Centre, Halifax, Nova Scotia.

The Division of Infectious Diseases is one of 15 divisions within the Department of Medicine. In addition to playing an important clinical role in the Department, division members have excellent opportunities for collaborative educational and research activities to facilitate rewarding and fulfilling career development.

An attractive remuneration and benefits package through an alternative funding plan will apply. Nova Scotia offers exceptional cultural and recreational opportunities in addition to an outstanding quality of life in all domains.

This position is a largely clinical position providing inpatient Infectious Diseases consultation services at the QEII Health Sciences Centre as well as outpatient clinics in general infectious diseases and HIV care.

This is a combined Hospital/University position. Academic rank will be dependent upon qualifications and experience. Candidates must have FRCP(C) certification (or equivalent) in Internal Medicine and a certificate of special competence (or equivalent) in Infectious Diseases and be eligible for specialty licensure in Nova Scotia and hold a PhD in either Microbiology or Immunology. Recent graduates of accredited Royal College ID training programs who are eligible to write the Royal College subspecialty licensing exam will be considered.

All qualified candidates are encouraged to apply, however Canadians and permanent residents will be given priority. Dalhousie University is committed to fostering a collegial culture grounded in diversity and inclusiveness. The university encourages applications from Aboriginal people, persons with a disability, racially visible persons, women, and persons of minority sexual orientations and gender identities.

To apply for this position, please send a cover letter, Curriculum Vitae and names and addresses of three referees to: Dr. Shelly McNeil by email at Shelly.McNeil@nshealth.ca.

Closing date for applications is April 6, 2020.
