Physiatrist
Department of Medicine,
Dalhousie University/Nova Scotia Health Authority

The Department of Medicine, Dalhousie University/Nova Scotia Health Authority is accepting applications for an academic full-time Physiatrist in the Division of Physical Medicine & Rehabilitation at QEII Health Sciences Centre in Halifax, Nova Scotia. We are seeking an applicant with a special interest in Spinal Cord Injury medicine. The position will include opportunities for various outpatient clinics including, but not limited to neuromuscular, musculoskeletal, and pediatric transition clinics. The position will be available on or before July 1st, 2018.

The Division of Physical Medicine & Rehabilitation is an integral part of the Department of Medicine and provides inpatient, outpatient, outreach, and telehealth services for the Nova Scotia Health Authority as well as the Maritime Provinces.

The Nova Scotia Rehabilitation Center is a 66-bed facility with special programs for ABI, SCI, MSK, Neuromuscular Rehabilitation, and has excellent interdisciplinary teams that serve as the referral center for the province of Nova Scotia and is located in beautiful Halifax, Nova Scotia.

Halifax is the economic and cultural hub of eastern Canada and is situated on the world’s second largest natural harbor and is home to Dalhousie University, one of Canada’s top research facilities. The scenic beauty of Nova Scotia, extensive coastline, Cabot trail, world’s highest tides, UNESCO world heritage sites, and vibrant culture make Halifax an ideal setting for a work-life balance.

The Division of Physical Medicine & Rehabilitation is one of 15 divisions within the Department of Medicine. In addition to playing an important clinical role in the Department, division members have excellent opportunities for collaborative educational and research endeavors with protected time for scholarly activities to ensure rewarding, fulfilling career development.

A comprehensive remuneration and benefits package through an alternative funding plan will apply. Candidates must hold FRCPC certification in Physical Medicine & Rehabilitation, (or equivalent specialty certification). Academic appointment ranking will be based on qualifications and experience.

All qualified candidates are encouraged to apply; however Canadians and permanent residents will be given priority. Dalhousie University is committed to fostering a collegial culture grounded in diversity and inclusiveness. The University encourages applications from Aboriginal people, persons with a disability, racially visible persons, women, persons of minority sexual orientations and gender identities, and all candidates who would contribute to the diversity of our community.

Interested applicants should forward their curriculum vitae and three references to:

Dr. Amra Saric
Associate Professor and Interim Head, Division of Physical Medicine & Rehabilitation
E-mail: amra.saric@nshealth.ca
Telephone: (902) 473-3232 Fax: (902) 473-3204

Closing date: December 29, 2017
