

DEPARTMENT OF MEDICINE RESIDENT SUMMER GRAND ROUNDS

Tuesdays, 0800-0900

Via Zoom

July 6, 2021

Title: Alcoholic Cardiomyopathy

Presenter: Dr. Mark Bartolacci

Objectives:

- Define alcohol use disorder and discuss its epidemiology
- Define alcoholic cardiomyopathy and describe its prevalence, pathogenesis, pathological findings, and clinical presentation
- Review the diagnostic criteria for alcoholic cardiomyopathy and the investigations used to make the diagnosis
- Describe the treatment principles and prognosis of alcoholic cardiomyopathy

Title: Heart Failure Reduced Ejection Fraction in 2021: New Guidelines and Practical Applications in Nova Scotia

Presenter: Dr. Suzanne Boursalie

Objectives:

- Review the 2021 Canadian Cardiovascular Society (CCS) and Canadian Heart Failure Society (CHFS) guidelines defining a new pharmacologic standard of care for heart failure with reduced ejection fraction
- Review key literature discussed in the guidelines
- Discuss practical application of these guidelines in Nova Scotia, primarily obtaining drug coverage through Pharmacare

Evaluation:

Complete evaluation online
