

GRAND ROUNDS

Tuesdays, 0800-0900
Via Zoom

June 15, 2021
Quality Rounds

8:00-9:00

Title: Building Capacity for Quality: The What, How and Why

Presenter: Dr. Brian Wong, General Internal Medicine, Sunnybrook Health Sciences Centre
Director, Centre for Quality Improvement and Patient Safety (C-QuIPS)

Objectives:

- Describe the evolution of patient safety and quality improvement competencies in medical education
- Discuss strategies to build faculty capacity for teaching and supervision in QI education
- Reflect on the goals of QI education and its potential to improve both learner and patient outcomes

Evaluation:
