

## GRAND ROUNDS

Tuesdays, 0800-0900

Via Zoom

June 16, 2020

8:00-8:15: COVID Update for DoM Members, Led by Christine Short

8:15-9:00 **Title: COVID-19: An Endocrinologist's Perspective**  
**Presenter: Barna Tugwell and Tom Ransom**  
(Division of Endocrinology)

### Objectives:

- Describe the outcomes of those who have a disease of two different pandemics, diabetes and COVID-19.
- Discuss the evidence regarding the role of glycemic control on the outcome of COVID-19.
- Understand how the management of inpatients and outpatients with diabetes has changed during this pandemic.
- Discuss some other “evidence-based” issues pertaining to COVID-related endocrinopathies, including thyroid disease and obesity.

### Evaluation:

- Complete evaluation on line at <https://survey.nshealth.ca/DoMGrandRounds>
