

GRAND ROUNDS

Tuesdays, 0800-0900

Via Zoom

May 25, 2021

8:00-9:00

Title: Mick Jagger had a TAVI for his aortic stenosis. Can I get one too?

Presenter: Dr. Daniel Malebranche

(Division of Cardiology)

Objectives:

- To review the TAVI procedure and supporting evidence
- To identify which patients should (and should not) be referred for TAVI
- To summarize post discharge care in the TAVI patient population

Evaluation:

Complete evaluation on line
