

# GRAND ROUNDS

Tuesdays, 8:00-9:00am  
via Zoom

**Tuesday, November 1, 2022**

**8:00 - 9:00**

**Title:** The assesment and management of cancer related pain during the opioid and COVID epidemics

**Presenter:** Dr. Eduardo Bruera  
Division of Palliative Medicine

**Objectives:**

- To characterize the impact of the context of the opioid epidemic and Covid on the assessment and management of cancer pain
- Propose safe practices for the prescription and monitoring of opioids.
- To discuss the signs of non- medical opioid use among patients receiving opioids for cancer pain, and the management of this complication.

**Complete attendance and evaluation online at:**
