

# GRAND ROUNDS

Tuesdays, 0800-0900

Via Zoom

**October 13, 2020**

**8:00-9:00**

**Title:** Prognosticating Neurologic Outcomes Post Cardiac Arrest

**Presenter:** Stephanie Woodroffe, MD, FRCPC, CSCN EEG & EMG  
(Division of Neurology)

## Objectives:

- Understand the contribution of the neurologic examination to predict an outcome following a cardiac arrest
- Know what investigations can be done to assist with predicting “good” and “poor” outcomes
- Understand how to combine physical findings and test results to assist the family and attending physicians in clinical decision making

## Evaluation:

- Complete evaluation on line at <https://survey.nshealth.ca/DoMGrandRounds>

Grand Rounds are a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada
