

# GRAND ROUNDS

Tuesdays, 8:00-9:00am  
via Zoom

 DALHOUSIE  
UNIVERSITY  
FACULTY OF MEDICINE  
Department of Medicine

**Tuesday, October 4, 2022**

**8:00 - 9:00**

**Title:** Reduce, Reverse, Reassess: A Multimodal Approach to DOAC-Related Bleed Management

**Presenter:** Dr. Deborah Siegal  
Division of Hematology

Objectives:

- Recognize bleeding as an important adverse event of DOAC therapy
- Apply key principles of bleed management for patients with DOAC-related bleeding complications
- Describe the role of reversal and/or hemostatic therapies within a multimodal bleed management framework
- Discuss an approach to restarting anticoagulation after bleeding

Complete attendance and evaluation online at:  
<http://surveys.novascotia.ca/DoMGrandRounds>

Grand Rounds are a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada
