

CURRICULUM VITAE

Donald B. Stoltz

Positions Held

1985 Professor, Dept. of Microbiology and Immunology, Dalhousie University
1980-85 Associate Professor, Dept. of Microbiology, Dalhousie University
1974-80 Assistant Professor, Dept. of Microbiology, Dalhousie University
1972-73 Research Associate, Dept. of Zoology, University of Texas
1972-73 Consultant, McLaughlin, Gormley, King Co.
1971-73 Consultant, Gulf Coast Mosquito Research Laboratories
1970-72 Postdoctoral Fellow, Cell Research Institute, University of Texas

Teaching

- Coordinator: MICI 2100 (Introductory Microbiology and Immunology)
- Participant in: MICI 3114 (Virology)
MICI 4114 (Topics in Basic and Medical Virology)
MICI 3024 (Microscopy)
MICI 4900 (Honours Research and Thesis)

Administrative Experience

- Established Dept. B.Sc. Majors/Honours degree program, 1976.
- Established Micro 2100 (Introductory Microbiology; later, Introductory Microbiology & Immunology), 1976. Class coordinator, 1976-2007.
- Coordinator and Advisor, Undergraduate and Honours programs, Department of Microbiology and Immunology, 1976-1995.
- Chairman, Curriculum Committee (Faculty of Arts and Science), 1983-1984.
- Chairman of a Curriculum Committee task force on problems relating to student literacy at Dalhousie, 1984-1986.
- Member, Faculty Council, Faculty of Graduate Studies, 1986-1989.
- Member, Preclinical Tenure and Promotion Committee, Faculty of Medicine, 1987-1988; co-chair, 1988-1989; chair, 1989-1990.
- Member, Curriculum Committee, Faculty of Science, 1988-present.
- Chair, Ad Hoc Academic Planning Committee, Faculty of Graduate Studies, 1987-1989.
- Member, Senate Academic Planning Committee, 1989-1991.
- Member, Nominating Committee, Faculty of Graduate Studies, Fall 1989.
- Chair, Search Committee for Department of Biology Chairperson, Spring 1990.
- Member, Senate APC Subcommittee on Undergraduate Writing, 1991.
- Member, Tenure and Promotion Committee, Faculty of Science, 1992-1994.
- Chair, Review Committee for Department of Physiology and Biophysics, Faculty of Medicine, 1992.

- Member, Tenure and Promotions Committee, Faculty of Science, 1992-1994.
- Chair, Full Survey Committee for Department of Physiology and Biophysics, Faculty of Medicine, 1992.
- Chair, Search Committee for Head of Physiology and Biophysics, Faculty of Medicine, 1993-1994.
- Member, Faculty Council (Medicine), 1993-1995.
- Member, Faculty of Medicine Advisory Committee, 1993-1995.
- Chair, Appointments, Tenure and Promotions Committee, Dept. of Microbiology and Immunology, 1994-1996.
- Member, Admissions Committee, Faculty of Medicine, 1994-1999.
- Chair, Admissions Committee, Faculty of Medicine, 1997-1998.
- Member, decanal Review Committee re reappointment of Dean, Faculty of Science, 1995.
- Member, Undergraduate Studies Committee, Dept. of Microbiology and Immunology, 1996-present.
- Member, Graduate Studies Committee, Dept. of Microbiology and Immunology, 1996-2002.
- Chair, E.M. Users Group, Faculty of Medicine, 1996-1997.
- Member (sabbatical replacement), Writing across the Curriculum Committee, College of Arts and Science, 1999-2000.
- Established Dept. Co-op Education Program in the Faculty of Medicine, 1999.
- Coordinator, Dept. Co-op program, 1999 – present.
- Member, Search Committee for new Dean, Faculty of Science, 2000-2001.
- Facilitator, Dept. NSERC Undergraduate Student Research Awards program. 1999-present.
- Organizer of polydnavirus workshop for the annual meeting of the American Society for Virology held in Montreal, July 2004 (this was the first stand-alone polydnavirus workshop at an ASV meeting).
- Chair, Faculty of Science Sub-Committee charged with examining and recommending changes to undergraduate B.Sc. degree requirements, Jan-June, 2005.
- Adjunct Professor, Faculty of Graduate Studies, 2007- present.
- Coordinator, Dept. seminar program, 2005-present.

Refereed Publications: 71

Some former lab members:

- Dr. Michael Drebot (former honours student), now Director, Science Technology and Core Services, and Chief, Viral Zoonoses, National Microbiology Laboratory; Adjunct Professor, Dept. of Microbiology, Univ. of Manitoba
- Dr. Peter Krell (former Ph.D. student), now Professor, Dept. of Cellular and Molecular Biology, Univ. of Guelph
- Dr. Deming Xu (former M.Sc. student), now Senior Director, Infectious Disease, WuXi AppTec, a global R&D services provider
- Dr. Natalie Keirstead (former honours student), now Veterinary Pathologist, AstraZeneca, Waltham, Mass

- Dr. Kim Rutherford (former honours student and Rhodes Scholar), now a Clinical Outreach Team Physician at Primary Outreach, Vancouver, B.C.
