VERIFICATION AUTHORIZATION/CERTIFICATION STATEMENT

I certify that the information recorded herein is complete and accurate to the best of my knowledge. I recognize that any intentional misrepresentation or omission on my part may cause me to be disqualified from continuing if accepted on the basis of this information. I hereby grant my permission to contact references and/or previous program directors to verify this information.

DATE: _____ **SIGNATURE:** _____

This form, with all questions answered, must be returned to the University Department to which application is being made.

PLEASE NOTE

A completed application for **New Residents to Dalhousie** consists of:

1. **This application form;**
2. **Official medical school transcript** forwarded to the relevant program director;
3. **Dean=s letter:**
 - a) **PGY1 Applicants** are required to supply an Undergraduate Dean=s letter that is an overview of their studies in Medical School.
 - b) **PGY2 & Beyond Applicants** are required to supply a letter from the Postgraduate Dean verifying the candidate=s postgraduate training dates and whether resident is in Good Standing.
4. **Three recent reference letters** sent directly by your referees to the relevant program director;
5. **A Curriculum Vitae** (List appointments or positions, including residencies, since graduation. List chronologically, giving dates, names of hospitals and specialty, etc. Also list publications, hobbies and other interests.);
6. **Statement of career plans** (i.e. academic practice, academic teaching, research position, community practice);
7. **Immigration Status:** If you are residing in Canada with immigration documents you must supply evidence of your work permit or permanent resident status. Changes to status from permanent resident to Canadian citizen must be evidenced by documentation.
8. **English Proficiency:** Because English is the language of study at Dalhousie, all applicants whose first language is not English must provide proof of English proficiency. Candidates who have received their undergraduate medical education outside of Canada (non-English countries) must also show proof of this test to the College of Physicians & Surgeons of Nova Scotia for licensure (<http://www.cpsns.ns.ca/Portals/0/regpolicy-english-language-requirement.pdf>). You must have achieved the required proficiency in one of the following English language tests. Recommended English language proficiency test scores:

TOEFL (paper based) - 580, TOEFL (computer based) - 237, TOEFL (IBT) - 92, IELTS - band score of 7

A completed application for **Residents already in the Dalhousie system** (for both subspecialty training or program transfer) consists of:

Advancing to a subspecialty:

1. **This application form;**
2. **Official medical school transcript** forwarded to the relevant program director;
3. **Program Director=s Letter in lieu of Dean=s Letter:** Dalhousie University residents applying >internally= for program transfer or subspecialties training require a letter from their Program Director rather than a Dean=s letter;
4. **Two recent reference letters** sent directly by your referees to the relevant program director.

Program Transfer (reference letters not needed for a program transfer):

1. **This application form;**
2. **Official medical school transcript** forwarded to the relevant program director;
3. **Program Director=s Letter in lieu of Dean=s Letter:** Dalhousie University residents applying >internally= for program transfer or subspecialties training require a letter from their Program Director rather than a Dean=s letter;

GENERAL INFORMATION: Before commencement of training, all appointed residents **MUST:**

1. Have a medical license in Nova Scotia and where appropriate, New Brunswick and Prince Edward Island.

Prior to officially starting training in Halifax-based programs in a Dalhousie University Residency Training Program, the candidate **MUST** obtain a license through the Registrar of the College of Physicians and Surgeons of Nova Scotia (7071 Bayers Road, Suite 5005, Halifax, Nova Scotia, Canada, B3L 2C2). If the resident is joining a New Brunswick-based program then s/he must obtain a license for that province at the address noted below.

Postgraduate trainees assigned to rotations in the Provinces of New Brunswick or Prince Edward Island also require an educational license by the College of Physicians and Surgeons of New Brunswick (One Hampton Road, Suite 300, Rothesay, NB E2E 5K8) or the College of Physicians and Surgeons of Prince Edward Island (Polyclinic Professional Centre, 199 Grafton Street, Charlottetown, PE, C1A 1L2) for the duration of their training in each of these provinces. For these licenses the applicant shall apply to the appropriate Registrar(s) after acceptance by Dalhousie University.

2. Be a paid up member of the Canadian Medical Protective Association, P.O. Box 8225, Station T, Ottawa, ON, Canada, K1G 3H7.
3. Complete registration with the Postgraduate Medical Education Office, Faculty of Medicine, Dalhousie University, Clinical Research Centre, Room C-236, 5849 University Avenue, P.O. Box 15000, Halifax, NS, B3H 4R2.

Revised 7 March 2014
