

# Pediatric Residency Program Monthly Newsletter

March 2021

## Residency Program Information

A welcome package has been created for new Faculty in the Department of Pediatrics. These documents provide a lot of up-to-date information. Therefore, we invite all Department of Pediatrics Faculty to view these documents.

Links to the welcome package documents can be found on our [website](#) under 'Additional Reference Documents'.

The information provided in this welcome package are documents on:

1. [How to Facilitate EPAs](#)
2. [Coaching](#)
3. [One45](#)
4. [Peds Residency Program Contact List](#)
5. [Faculty Intro to Resident Research](#)
6. [Medical Education in Canada](#)
7. [List of Resources](#)

As always, if you have any questions or would like more information on any of these topics or the residency program please do not hesitate to contact Alicia MacDonald, Dr. Sarah Manos, Dr. Robyn McLaughlin or Dr. Beth Cummings.

## Countdown to CBD Launch

## Tips to Be Prepared!

1. Make it a practice to plan EPAs before the patient is seen or procedure is done.
2. Make sure you are able to access One45 easily-bookmark it in your phone, know your login. If you need help checkout the One45 document above.
