You can always complete a narrative feedback form following an encounter if there is not an appropriate EPA form. All EPAs will be added for full CBD implementation on July 1, 2021.

### NARRATIVE FEEDBACK AND PROCEDURE FORMS

The narrative feedback and procedure forms are also at the top of your One45 screen after you log in, you can initiate these forms anytime. The narrative feedback form can be used for anything that you wish to have documented (i.e. on-call feedback, outstanding performance, sub-optimal performance).
