

M.Sc. in Psychiatry Research 2019

Application Process

Send directly to the Faculty of Graduate Studies, Dalhousie University:

- Complete the **graduate application form** online or on paper.
(https://www.dal.ca/admissions/graduate/admission_process.html).
- Pay **\$115 application fee**.

Send directly to Department of Psychiatry, Dalhousie University:

- Two reference letters** from individuals who are familiar with your academic and research experience and your potential as psychiatric researchers either through the online reference system or by paper:
 - If using **the e-reference system**, Dalhousie University will only accept university email addresses [ie not Yahoo, Gmail, Hotmail, business, or government addresses]. Please allow 5 business days for your referees to be contacted by our system.
 - If you are submitting a **paper reference letter**, it must be in a sealed, stamped envelope which is endorsed across the back seal by the referee and mailed to the address indicated on the form. If a referee is reluctant to follow this procedure, please provide him/her with a stamped envelope, addressed to the department to which you are applying, and have him/her mail the letter directly. If the reference is given to the student directly, do not open the envelope.
- A **written personal statement** describing your goals and interests with respect to the program, as well as indicating a potential research supervisor and topic within the department
- An **official academic transcript** for each post-secondary institution attended, sent directly from the host university in a sealed envelope (a notarized translation is also required for each non-English transcription addition to an original transcript sent directly from the host university in a sealed envelope). Notarized copies will not be accepted.
- A **current copy of your CV** listing funding, publications, and presentations to date.
