LOCUM TENENS (PSYCHIATRIST)

IWK Health Centre / Dalhousie University, Halifax, NS

The Department of Psychiatry at Dalhousie University is recruiting a child and adolescent psychiatrist for a 12 month locum in child and adolescent outpatient psychiatry. The psychiatrist will provide general psychiatric outpatient care for children and adolescents. Part time (0.4 FTE or greater) applicants will be considered.

The IWK is an academic tertiary care health centre for children, women and families in the Maritime Provinces. It has a large Child and Adolescent Mental Health and Addictions Program in which the IWK Department of Psychiatry conducts its clinical work. The Division of Child and Adolescent Psychiatry at Dalhousie University is one of the largest academic groups in Canada.

Halifax is the largest city in Atlantic Canada, an area of the country known as “Canada’s Ocean Playground.” It is a friendly, family-oriented city, with a rich diversity of recreational, cultural and education opportunities.

All qualified candidates are encouraged to apply, although Canadians and permanent residents will be given priority. Dalhousie University is committed to fostering a collegial culture grounded in diversity and inclusiveness. The university encourages applications from qualified Aboriginal people, persons with a disability, racially visible persons, women, persons of minority sexual orientations and gender identities, and all qualified candidates who would contribute to the diversity of our community.

For information on licensure in Nova Scotia please consult the College of Physicians and Surgeons of Nova Scotia website at www.cpsns.ns.ca.

Applicants should send an electronic copy of their CV and the names and contact information of three references who may be contacted at a later date to:
Dr. Alexa Bagnell, professor and head, Division of Child and Adolescent Psychiatry at alexa.bagnell@iwk.nshealth.ca
