

CHILD AND ADOLESCENT PSYCHIATRIST

IWK Health Centre / Dalhousie University, Halifax, NS

The Department of Psychiatry at Dalhousie University is recruiting a child and adolescent outpatient psychiatrist. Roles for this position range from providing general psychiatric outpatient care for children and adolescents to subspecialty care in more intensive services. It would be an asset to have had experience in child and adolescent residential and/or inpatient units. It includes time for protected teaching and research depending on candidate's interest and experience. There is an excellent infrastructure to support these academic endeavours.

Child and adolescent psychiatry qualifications and/or experience is preferred, but general psychiatrists with experience in treating adolescents will be considered for this position. All applicants must be eligible for medical staff privileges with the IWK Health Centre and specialist licensure in psychiatry with the College of Physicians and Surgeons of Nova Scotia.

The IWK is an academic tertiary care health centre for children, women and families in the Atlantic Provinces. The Division of Child and Adolescent Psychiatry at Dalhousie University is one of the largest academic groups in Canada. Under new leadership, it is a growing division with several exciting innovations underway. The department also provides teaching and research through its affiliation with the Faculty of Medicine at Dalhousie University.

Halifax is the largest city in Atlantic Canada, an area of the country known as "Canada's Ocean Playground." Halifax is a friendly, family-oriented city with a rich diversity of recreational, cultural and educational opportunities.

Dalhousie University is committed to fostering a collegial culture grounded in diversity and inclusiveness. The university encourages applications from qualified Aboriginal people, persons with a disability, racially visible persons, women, persons of minority sexual orientations and gender identities, and all qualified candidates who would contribute to the diversity of our community.

Applicants should send an electronic copy of their CV and the names and contact information of three references who may be contacted at a later date to:

Dr. Alexa Bagnell, professor and head, Division of Child and Adolescent Psychiatry at alexa.bagnell@iwk.nshealth.ca

All inquiries may also be sent to Dr. Bagnell.
