

**DEPARTMENT OF PSYCHIATRY, NOVA SCOTIA HEALTH AUTHORITY and
DALHOUSIE UNIVERSITY
Locum Tenens – General Medicine**

The Department of Psychiatry, Dalhousie University and the Nova Scotia Authority has an excellent opportunity for a 2 month Locum Tenens for a full-time **family physician** (FP) to work on the general psychiatric units within the Mental Health Program. This is an immediate start with the possibility of extension and a permanent position.

The position would involve providing general medical care as a consultant to the multi-disciplinary teams which involve consumers in their own care. All aspects of the position would require the FP to work with multi-disciplinary teams in an enthusiastic manner with the capacity for self-direction.

The successful applicant will have the following qualifications:

- Medical degree and current registration with the College of Physicians and Surgeons of Nova Scotia
- Excellent decision making and problem solving skills
- Ability to maintain clear records of patient evaluations
- Ability to build and maintain effective working relationships
- Must be eligible for medical staff privileges with the Nova Scotia Health Authority

Remuneration commensurate with qualifications and experience and is based upon a highly competitive Alternative Funding Plan.

The Halifax Regional Municipality, made up of several communities, has a reputation for friendliness and boasts a rich diversity of recreational, cultural and educational opportunities.

All qualified candidates are encouraged to apply, although Canadians and permanent residents will be given priority. Dalhousie University is committed to fostering a collegial culture grounded in diversity and inclusiveness. The university encourages applications *from qualified Aboriginal people, persons with a disability, racially visible persons, women, persons of minority sexual orientations and gender identities, and all qualified candidates who would contribute to the diversity of our community.*
