

# DEPARTMENT OF PSYCHIATRY

## LEADERSHIP OPPORTUNITY

### ***DEPUTY CLINICAL DIRECTOR, RECOVERY & INTEGRATION***

We are currently accepting submissions from members of the Department of Psychiatry interested in a challenging and rewarding leadership position, deputy clinical director, Recovery & Integration.

**Purpose:** The deputy clinical director, Recovery and Integration (R&I) is responsible for the delivery of recovery-oriented psychiatric/psychosocial rehabilitation (PSR) services in Nova Scotia Health Central Zone (NSH-CA). In a co-leadership administrative model, working with the program leader, R&I, they champion excellence in the clinical care, administration, education, and research conducted by members of both the Department of Psychiatry and the Mental Health & Addictions program of the NSH-CZ.

The deputy clinical director reports to the clinical director. They work at a strategic level across the rehabilitation and recovery service areas, and within the framework of the vision, principles, plans, and policies of the Department of Psychiatry, and the NSH MH&A program.

This is a 0.3 FTE leadership position, available immediately.

**Eligibility:** Members of the Dalhousie Department of Psychiatry.  
A job description is available to those interested in applying.

**Deadline:** **March 31, 2021**

**Apply to:** Janet Bardon, Physician Resource Manager  
8th Floor, Abbie J. Lane 902.473.8334
