

## CURRICULUM VITAE

### **Jill Chorney (nee MacLaren)**

**BUSINESS ADDRESS** Centre for Pediatric Pain Research  
IWK Health Centre, 8th floor (South)  
5850 University Ave., PO Box 9700  
Halifax, NS B3K 6R8  
Office Phone: 902-470-7707  
Cell Phone: 902-488-4442  
Office Fax: 902-470-7709  
Email: [Jill.Chorney@dal.ca](mailto:Jill.Chorney@dal.ca)  
Website: [http://pediatric-pain.ca/content/Jill\\_Chorney](http://pediatric-pain.ca/content/Jill_Chorney)

### EDUCATION

**Fellowship** Department of Anesthesiology, Division of Pediatric Anesthesiology, Yale University School of Medicine, New Haven, Connecticut (2006–2008)

**Internship** A.P.A. Approved pre-doctoral internship in Clinical Child/Pediatric Psychology, Brown University Clinical Psychology Training Consortium, Providence, Rhode Island (2005–2006)

**Graduate** Ph.D. in Clinical Child Psychology, West Virginia University, Morgantown, West Virginia (2006)

M.A. in Psychology, West Virginia University, Morgantown, West Virginia (2003)

**Undergraduate** Hons B.Sc. with First Class Honours in Psychology, Dalhousie University, Halifax, Nova Scotia, Canada (2001)

### POSITIONS

2019–present Associate Professor, Department of Psychiatry, Dalhousie University

2018–present Advanced Practice Lead, Behavior Change, Mental Health and Addictions, IWK Health Centre

2018–present Psychologist, Community Mental Health and Addictions, IWK Health Centre

2017–2019 Associate Research Director, Department of Anesthesia, Pain Management and Perioperative Medicine, Dalhousie University

- 2017–2018 Consultant – Change Management, IWK Community Mental Health and Addictions Program
- 2014–present Associate Professor, Department of Anesthesia, Pain Management and Perioperative Medicine, Dalhousie University
- 2014–present Associate Professor, Department of Surgery, Dalhousie University
- 2014–present Associate Professor, Department of Psychology and Neuroscience, Dalhousie University
- 2010–2017 Resident Research Director, Department of Anesthesia, Pain Management and Perioperative Medicine, Dalhousie University
- 2009–2018 Psychologist, Pediatric Complex Chronic Pain Service, IWK Health Centre
- 2009–2014 Assistant Professor, Department of Psychology and Neuroscience, Dalhousie University
- 2009–2014 Assistant Professor, Department of Anesthesia, Pain Management and Perioperative Medicine, Dalhousie University
- 2008–2009 Associate Research Scientist, Department of Anesthesiology, University of California, Irvine

#### REGISTRATION AND CREDENTIALS

- 2009–present Registered Psychologist, Province of Nova Scotia, R0629
- 2009–present Member of Medical, Dental and Scientific Staff, IWK Health Centre
- 2007–2009 Licensed Psychologist, State of Connecticut, 002581

#### HONOURS AND AWARDS

- 2018 *Internal Team Award*, BALANCE Team, Department of Anesthesia, Pain Management and Perioperative Medicine, Dalhousie University
- 2016 *Research Leadership Award*, IWK Health Centre
- 2014 *External Team Award of Excellence*, Dalhousie University Department of Anesthesia, Pain Management and Perioperative Medicine
- 2013 *Women of Excellence Award*, Canadian Progress Club
- 2012 *Science-Practitioner Early Career Award*, Canadian Psychological Association Clinical Psychology Section
- 2011 *Emerging Professional Award*, Discovery Centre, Halifax NS
- 2011 New Investigator Award, Canadian Institutes of Health Research, \$300,000 (5 years)

- 2010 *Routh Early Career Award*, Society of Pediatric Psychology
- 2009 *IWK Research Investigatorship Award*, IWK Health Centre, \$120,000 (4 years)
- 2006 *Postdoctoral Fellowship Award*, Canadian Institutes of Health Research (Awarded, declined)
- 2006 *John T. Goodman Award* for outstanding student contribution to research on pain in children, International Forum on Pediatric Pain, \$1000
- 2006 *Student Research Award*, American Psychological Society, Division 54, Society for Pediatric Psychology, \$1000
- 2005 *Dissertation Research Award*, American Psychological Association, \$1000
- 2005 *Student Research Award*, Behavioral Medicine Special Interest Group, Association for Behavior and Cognitive Therapy, \$250
- 2005 *Young Investigator Travel Award*, Joint Scientific Meeting of the American Pain Society and the Canadian Pain Society
- 2004 *Mayday Fund Fellowship* for membership in Pain in Child Health Training Consortium
- 2004 *Kay Thompson Memorial Scholarship* for training in hypnosis
- 2003 *Doctoral Student Travel Award*, West Virginia University
- 2003 *Student Research Award*, Behavioral Medicine Special Interest Group, Association for Advancement of Behavior Therapy, \$250
- 2002 *Eberly College of Arts and Sciences Travel Award*, West Virginia University
- 2002 *Routh Student Research Grant*, American Psychological Association, Division 54, Society of Pediatric Psychology, \$500
- 2001 *HERF Supplementary Fellowship*, West Virginia University

#### FUNDED RESEARCH GRANTS (\*Active Grants)

- 2020-2025 \*Noel, M., Brindle, M., **Chorney, J.**, Katz, J., Lebel, C., Moayed, M., Mychasiuk, R., Rasic, N., Sumpton, J., Vinall, J., Williamson, T, Ferri de Barros, F., Parsons, D. Elucidating the Role of Memory in the Transition from Acute to Chronic Pediatric Pain. Canadian Institutes of Health Research Project Scheme Grant, \$661,725.
- 2019-2021 \*Campbell, L.A., Clark, S., Emberly, D., Bishop, A., **Chorney, J.**, MacDonald, J., Kephart, G., MacKenzie, A., Wozney, L., York, A., Marsh, D. Transforming Care in Nova Scotia: Implementation of Health System Change in Child and Adolescent Mental Health and Addictions. Research Nova Scotia, Establishment Grant, \$150,000.
- 2018-2023 \*Curran, J., \*MacPhee, S., \*Mackay, R., Bishop, A., Breneol, S., Burns, E., Cassidy, C., **Chorney, J.**, Doyle, M., Grimshaw, J., Jabbour, M., Lawton, J., Newton, A., Penney, T., Plint, A., Ritchie, K., Straus, S., Wozney, L., Zemek, R. Partnering with Parents and youth to co-design discharge communication interventions for pediatric emergency care. Canadian Institutes of Health Research, Project Grant. \$623,457.

- 2017-2019 \*Rosen, N., **Chorney, J.**, George, R., Lee-Bagley, D., Pukall, C., Snelgrove-Clarke, E. Biopsychosocial predictors of postpartum genito-pelvic pain: A two-year follow-up. Canadian Institutes of Health Research, Operating Grant. \$256,274.
- 2017-2018 **Chorney, J.**, Doucet, C. Hong, P., Miurhead, J. Designing a Pre-op Prep Tool for Parents. IWK Health Centre, Translating research into Care (TRIC) Healthcare Improvement Research Program Grant, \$3,000.
- 2017-2019 \*Rosen, N., George, R., **Chorney, J.**, Snelgrove-Clarke, E., Pirece, M., Andreou, P., Binik, Y. A longitudinal study of biopsychosocial predictors of postpartum genito-pelvic pain: 12 and 24 months later. Nova Scotia Health Research Foundation, Operating Grant, \$150,000.
- 2016-2017 Noel, M., **Chorney, J.**, Graham, S.A., Rasic, N. The Sociolinguistic Context of Pain Memory Development in Young Children. American Pain Society Future Leaders in Pain Research Grant, \$25,000 USD.
- 2016-2018 Wozney, L., Hong, P., **Chorney, J.** Tonsil-Text-To-Me (Tonsillectomy): utilizing a short message service (SMS) to improve perioperative tonsillectomy care. IWK Health Centre, Translating research into Care (TRIC) Healthcare Improvement Research Program Grant, \$60,000.
- 2016-2017 Curran, J., \***Chorney, J.**, Ritchie, K., Lawrence, L., Helwig, M., Mapping the evidence supporting parent engagement in designing health interventions for a paediatric context. Nova Scotia Health Research Foundation, Development Grant, \$14,996.
- 2016-2017 Noel, M., **Chorney, J.**, Rasic, N. The sociolinguistic context of pain memory development in young children. University of Calgary, Seed Grant, \$15,000.
- 2016-2018 Hong P., **Chorney J.**, Bezuhly M., Roma R., El-Hawary R, Curran, J. Shared Decision Making in Pediatric Surgery: Development, Testing, and Implementation of Decision Aids. Dalhousie University, Department of Surgery, \$150,000.
- 2016-2017 **Chorney, J.**, Hong, P., Curran, J. Developing an Electronic Decision Aid Tool. Nova Scotia Health Research Foundation; Knowledge Sharing Support Award, \$10,000.
- 2016-2017 **Chorney, J.**, Allen, S., Smith, I. Identifying Ways to Improve the Perioperative Experience for Children with Autism Spectrum Disorder. Dalhousie University, Department of Anesthesia, Pain Management, and Perioperative Medicine. \$5,000.

- 2016-2017 **Chorney, J.**, El-Hawary, R., Campbell, L., Taylor, K., Understanding family psychosocial needs to prevent postsurgical pain in children. Dalhousie University, Department of Anesthesia, Pain Management, and Perioperative Medicine. \$5,000.
- 2015-2017 **Chorney, J.**, Ellis, P. Don't Stumble, Tumble: A motion-detecting videogame to reduce general anesthetics for MRIs in young children. IWK Health Centre, Translating research into Care (TRIC) Healthcare Improvement Research Program Grant, \$85,000
- 2015-2016 Chambers, C.T., Campbell-Yeo, M., Barwick, M., **Chorney, J.**, Finley, A., Latimer, M., McGrath, P., Witteman, H. "It Doesn't Have to Hurt": Extending our Reach to Help Parents of Children Undergoing Painful Procedures. Nova Scotia Health Research Foundation, Knowledge Sharing Support Award, \$10,000
- 2014–2017 Stinson, J., Cafazzo, J., Campbell, F., **Chorney, J.**, Clark, J., Dick, B., Forgeron, P., Gordon, A., Jibb, L., Lalloo, C., McGillion, M., Montgomery, L., Palermo, T., Rashid, S., Ruskin, D., Simmonds, M., Tupper, S., Victor, C., Ware, M. iCanCope with Pain: An Integrated Smartphone and Web Self-management Program for Adolescents and Young Adults with Chronic Pain. Canadian Institutes of Health Research, Operating Grant. \$383,884 (3 years).
- 2014–2017 Curran, J., Klassen, T., Petrie, D., **Chorney, J.**, Jabbour, M., MacPhee, S., Fitzpatrick, E., Murphy, A., Colwell, R. Understanding Discharge Communication in the context of paediatric emergency care in regional and community emergency departments in Nova Scotia. Nova Scotia Health Research Foundation, Establishment Award. \$145,076.88 (3 years).
- 2014–2017 **Chorney, J.**, Hong, P., Curran, J., Ritchie, K., McGrath, P., Vaccani, J.P. Supporting Shared Decisions in Otolaryngology (Phase 1): Needs Assessment and Decision Aid Development. CIHR-NSHRF Regional Partnership Program Operating Grant. \$ 319,632 (3 years).
- 2014-2017 Rosen, N., George, R., **Chorney J.**, Snelgrove-Clarke, E., Pierce M., Andreou P., Binik Y. A Prospective Study of the Trajectory and Biopsychosocial Determinants of Postpartum Genito-pelvic Pain. CIHR-NSHRF Regional Partnership Program Operating Grant. \$227,364 (3 years).
- 2014–2017 **Chorney, J.**, Hong, P., Curran, J., Ritchie, K., McGrath, P. Understanding Shared Decisions in Pediatric Surgery. Nova Scotia Health Research Foundation, Establishment Award. \$ 147,246 (3 years).
- 2014–2015 **Chorney, J.**, d'Entremont, C., Allen, S., Smith, I., Bird, S., Latimer, M., Martin, C., Wright, S. Identifying ways to improve the perioperative experience for children with Autism Spectrum Disorders. Translating Research

- into Care (TRIC): Healthcare Improvement Research Program. \$3000.00 (1 year).
- 2013–2016 Curran, J., Grimshaw, J., McGrath, P., **Chorney, J.**, MacPhee, S., Burns, E., Plint, A., Jabbour, M., Zemek, R., Taljaard, M., Klassen, T., Newton, A., Wright, B., Murphy, A. Understanding Discharge Instructions for Children and Caregivers in the Transition from Pediatric Emergency Care. CIHR–NSHRF Regional Partnership Program Operating Grant. \$ 435,804 (3 years).
- 2013–2014 Forgeron, P., **Chorney, J.**, Dick, B., Carlson, T. To Befriend or Not: Naturally Developing Friendships Amongst a Group of Adolescents with Chronic Pain. University of Ottawa, Faculty of Health Sciences Initiative Grant. \$4,085.71 (1 year).
- 2013–2014 Curran, J., **Chorney, J.** Closing the loop in pediatric emergency care: A narrative of best practice for providing discharge instructions to caregivers in the emergency department. Canadian Institutes of Health Research, Knowledge Synthesis Grant. \$ 99, 339 (1 year).
- 2013 **Chorney, J.** Augmented Reality MRI Preparation Game for Kids. Springboard Atlantic Innovation Mobilization Program. \$20,000 (1 year).
- 2013 Birnie, K.A., Chambers, C.T., McGrath, P.J., Fernandez, C.V., **Chorney, J.** Catastrophizing and Parenting During Parent–Child Interactions About Pain and Conflict. Dalhousie University, Department of Psychiatry Research Fund. \$10,000 (1 year).
- 2013–2014 Curran, J., **Chorney, J.**, MacPhee, S., Murphy, A., Plint, A., McGrath, P. Identifying Essential Content for Discharge Instructions for Caregivers in Pediatric Emergency Care: A Delphi Study. IWK Health Centre, Category B Grant. \$14,516 (1 year).
- 2013–2014 **Chorney, J.**, Bird, S., Bailey, K. Preparing Parents to be Present at their Children’s Anesthesia Induction. IWK Health Centre, Category B Grant. \$14,992.00 (1 year).
- 2013–2014 **Chorney, J.**, Longard, J., Hong, P. Managing Children’s Pain at Home after Surgery. IWK Health Centre, Category A Grant. \$3,992 (1 year).
- 2012–2013 Hong, P., **Chorney, J.** Development of a Team to Study Decision Aids In Pediatric Otolaryngology. REDI Awards, Team Development Award. \$9,952.00 (1 year).
- 2012–2013 **Chorney, J.**, Bailey, K., Schmit, P., Taylor, B. Using a web–based motion tracking game and information pamphlet to prepare children and their parents

- for scheduled MRI : A Feasibility study. IWK Health Centre, Category A Grant. \$3,960 (1 year)
- 2011–2012 Hatchette, J., Ritchie, K., **Chorney, J.** Enhancing Residents' Research Training Experience: Testing an Applied Research Curriculum. IWK Health Centre, Category B Grant. \$15,000 (2 years).
- 2011–2016 Kain, Z.N., **Chorney, J.**, Blount, R.L. Improving pain and anxiety in children undergoing surgery: Changing healthcare provider behavior. National Institutes of Health: National Institute of Child Health and Development. R01HD048935. \$ 2,730,034 (5 years).
- 2011–2013 **Chorney, J.** Establishment of the Child Health and Perioperative Care Laboratory. Canadian Foundation for Innovation: Leaders of Opportunity Fund. #25741 (Matching funding provided by Dalhousie University and Nova Scotia Research and Innovative Trust). \$312,177 (3 years).
- 2011 **Chorney, J.**, Chambers, C.T., Finley, G.A., Latimer, M., McGrath, P.J. IWK Bringing People Together Grant. Support for the International Forum on Pediatric Pain. \$3,000 (1 year).
- 2011 **Chorney, J.**, Chambers, C.T., Finley, G.A., Latimer, M., McGrath, P.J. Canadian Pain Society Conference/Workshop Grant. Support for the International Forum on Pediatric Pain. \$5,000 (1 year).
- 2010–2015 \***Chorney, J.**, Finley, G.A., McGrath, P.J., Howard, J., El-Hawary, R., Ouellet, J., Gomez, T. Andreou, P. LeMay, S., Parent, S., Villeneuve, E. Pain at home in children following major surgery: Physical, psychological and economic consequences. Canadian Institutes of Health Research, Operating Grant. \$724,990 (5 years).
- 2010–2012 **Chorney, J.** Improving Perioperative Outcomes through Preparation: The Role of Healthcare Provider–Family Interactions. IWK Health Centre, Recruitment and Establishment Grant. \$90,000 (2 years).
- 2010 **Chorney, J.**, Lakenman, M., McGrath, P.J., Corsten, G., Gillespie, E., Larocque, L. A Scoping Review of Literature on Preparation Programs for Children Undergoing Surgery and their Families. Canadian Institutes of Health Research, Knowledge Synthesis Grant. \$49,992 (1 year).
- 2010 McGrath, P.J., Chambers, C.T., Huguet, A., Stinson, J., **Chorney, J.** Identification of physical and psychosocial predictors of chronic pain in children and adolescents: A first step towards prevention. Canadian Institutes of Health Research, Knowledge Synthesis Grant. \$99,998 (1 year).

- 2009–2014 Stevens, B., Finley, A., von Baeyer, C., Johnston, C., Chambers, C., Stinson, J., Craig, K., Pillai Riddell, R., Grunau, R., Taddio, A., Dick, B., Limperopoulos, C., Dominique Walker, C., Warnock, F., Carnevale, F., Collet, J.P., Mogil, J., Breau, L., Goldman, R., Scott, S., Beggs, S., Lemay, S., Oberlander, T., Holsti, L., Campbell–Yeo, M., Harrison, D., **Chorney, J.**, Forgeron, P., Latimer, M. Pain in child health, an innovative, international, transdisciplinary research training consortium Phase II. Canadian Institutes of Health Research, Strategic Training Initiative in Health Research (STIHR). \$1,625,000 (5 years).
- 2009–2011 Kain, Z.N., **Chorney, J.**, McLaren, C. A tailored Internet–based intervention for pediatric perioperative pain and anxiety. NIH/National Institutes of Child Health Care Development R01. \$362,000 (2 years).
- 2009 Kain, Z.N., **MacLaren, J.** An innovative assessment of adult influences on children’s postoperative pain. NIH/National Institute of Child Health and Development (R21HD057011–01) Note: This grant was originally awarded to Dr. Chorney (see below), but PI–ship was transferred to Dr.Kain in 2009 when Dr. Chorney moved from University of California to Dalhousie University. \$100,000 (1 year).
- 2008 **MacLaren, J.** Kain, Z.N. An innovative assessment of adult influences on children’s postoperative pain. NIH/National Institute of Child Health and Development (R21HD057011–01) \$125,000 (1 year).

### PROFESSIONAL AFFILIATIONS

Society of Pediatric Psychology  
 Canadian Pain Society  
 Association of Psychologists of Nova Scotia  
 International Association for the Study of Pain

### ADMINISTRATIVE ACTIVITES and COMMITTEE MEMBERSHIP

- 2019 Scientific Review Committee, IWK Health Centre
- 2017-2018 Anesthesia Peer Review Committee, Department of Anesthesia, Pain Management and Perioperative Medicien, Dalhousie University
- 2017-2018 Research Advisory Committee, Faculty of Medicine, Dalhousie University
- 2017-present Research Advisory Committee, IWK Health Centre
- 2012–2016 Anesthesia Research Advisory Committee, Dalhousie University
- 2011–present Member, Behavior Change Institute, IWK Health Centre/Capital District Health Authority
- 2011–2017 Member, Research Ethics Board, IWK Health Centre
- 2011–2014 Perioperative Working Group, IWK Health Centre
- 2010–2016 Conference Organizing Committee, International Forum on Pediatric Pain

2010–2013	Resident Program Committee, Department of Anesthesia, Dalhousie University
2010	Conference Organizing Committee, Atlantic Provinces Interdisciplinary Research Conference, IWK Health Centre
2008	Workshop Organizational Committee, Pain in Child Health Strategic Training Consortium
2003–2005	Graduate Student Advisory Board, Society of Pediatric Psychology
2003–2004	Faculty Evaluation Committee, West Virginia University
2002–2003	Clinical Child Training Committee, West Virginia University

57. Cohen, L.L., & **MacLaren, J.** (November, 2003). Movie distraction for pediatric procedural pain. In S. Safren (Chair) & D. Ahern (Discussant), *Use of Technology in Behavioral Assessments and Interventions*. Symposium presented at the Association for Advancement of Behavior Therapy Convention, Boston.

ABSTRACTS and POSTER PRESENTATIONS (Underline student co author)

1. Pavlova, M., Vinall, J., Graham, S. A., Jordan, A., **Chorney, J.**, Rasic, N., & Noel, M. (September 2018). Parent-child reminiscing about painful and sad events: A comparative analysis and gender differences. PICH2GO (Pain In Child Health), Toronto, ON, Canada.
2. Pavlova, M., Vinall, J., Graham, S. A., Jordan, A., **Chorney, J.**, Rasic, N., & Noel, M. (September 2018). Parent-child reminiscing about painful and sad events: A comparative analysis and gender differences. 17th World Congress on Pain, Boston, MA, USA;
3. Amey, S., Walker, N., **Chorney, J.** (June, 2018). Creating BALANCE, Building Alliances to meet Autism Needs in Clinical Encounters. Poster presented at the International Conference on Patient and Family Centerd Care, Baltimore, MD.
4. MacCormick, H,K., George, R.B., Eghan, E., **Chorney, J.**, Snelgrove-Clarke, E., Carvalho, B. (June, 2018) Are women having a cesarean delivery engaged in shared decision-making regarding post-cesarean analgesia? An exploratory survey study. [Poster presented at Canadian Anesthesiologists' Society Annual General Meeting, Montreal, QC.
5. Pavlova, M., Vinall, J., Graham, S. A., Jordan, A., **Chorney, J.**, Rasic, N. & Noel, M. (May 2018). Parent-child reminiscing about painful and sad events: A comparative analysis. Patient-Oriented Research Summer Institute 2018, Calgary, AB [*Best Poster Award*].

6. Pavlova, M., Vinall, J., Graham, S. A., Jordan, A., **Chorney, J.**, Rasic, N. & Noel, M. (May 2018). Parent-child reminiscing about painful and sad events: A comparative analysis. Owerko Centre Conference 2018, Calgary, AB;
7. Pavlova, M., Vinall, J., Graham, S. A., Jordan, A., **Chorney, J.**, Rasic, N. & Noel, M. (May 2018). Parent-child reminiscing about painful and sad events: A comparative analysis. Canadian Pain Society 39th Annual Scientific Meeting, Montreal, QC, Canada;
8. MacCormick, HK., George, R.B., Eghan, E., **Chorney, J.**, Snelgrove-Clarke, E., Carvalho, B. (May, 2018) Are women having a cesarean delivery engaged in shared decision-making regarding post-cesarean analgesia? An exploratory survey study. Poster presented at Society for Obstetric Anesthesia and Perinatology Annual General Meeting, Miami, FL.
9. Birnie, K.A., Stinson, J., Noel, M., **Chorney, J.**, Baerg, K., Forgeron, P., Lamontagne C., Poulin, P., Dib, K., Dib, M., Ouellette, C., Nelson, K., Dawson, M., & Dawson, B. (May 24, 2018). Building sustainable partnerships with patients and families to guide pediatric chronic pain research and practice in Canada. Poster accepted for presentation at the Annual Meeting of the Canadian Pain Society. Montreal, PQ.
10. Rossi, M., **Chorney, J.**, George, R., Pukall, C., Snelgrove-Clarke, E., Rosen, N. (October, 2017). Prevalence and Predictors of Dyspareunia and Genito-Pelvic Pain in Women 18-24 Weeks Pregnant. Poster presented at the Canadian Sex Research Forum, Fredericton, NB.
11. Howlett, M., Lehman, M., Watanabe, L., Schmit, P., **Chorney, J.** (April 1, 2017). Developing Evidence-Informed and Clinically Accessible Preparation for Pediatric MRI: A Needs Assessment. Society of Pediatric Psychology Annual Conference, Portland, OR.
12. Snow, S. L., Smith, I. M., Latimer, M., **Chorney, J.** (October 24, 2016). Building BALANCE: Working together to enhance healthcare providers' ability to deliver family-centered care to children with autism spectrum disorder around the time of surgery. Poster presented at the Canadian Association of Paediatric Health Centres (CAPHC) Annual Conference, Halifax, NS.
13. Archibald, K., Hong, P., Curran, J., Ritchie, K., **Chorney, J.** (October 17, 2016) Development of a Decision Aid for Elective Pediatric Otolaryngology Procedures. Poster presented at the REAL KT Curriculum: Patient and Citizen Engagement Workshop, Halifax, NS.
14. Caes, L., Boerner, K., Chambers, C., Stinson, J., Campbell-Yeo, M., Birnie, K., Dol, J., Jordan, A., Huguet, A., **Chorney, J.**, Parker, J., Schinkel, M. (May 25-26, 2016). Canada a leader in pediatric pain research: how Pain in Child Health (PICH) contributed to growth in the field. Poster presented at the Annual Meeting of the Canadian Pain Society, Vancouver, BC.

15. Snow, S., **Chorney, J.**, Latimer, M., Smith, I. (May 11-14, 2016) A balancing act: supporting children with autism spectrum disorder (ASD) on the day of surgery. Poster presented at the 2016 International Meeting for Autism Research, Baltimore, MD.
16. Snow, S. L., Smith, I. M., **Chorney, J.** (April 29, 2016). A balancing act: supporting children with autism spectrum disorder (ASD) on the day of surgery. Oral presentation given at the Dalhousie Annual Anesthesia Research Day, Halifax, NS.
17. Snow, S., Smith, I., **Chorney, J.** (April 14-16, 2016) A program of community-based participatory research to improve the surgery-related experiences of children with autism spectrum disorder. Poster presented at the 2016 Society of Pediatric Psychology Annual Conference, Atlanta, GA.
18. Howlett, M., **Chorney, J.**, & MRI Preparation Team. (April 14-16, 2016). Don't Stumble, Tumble: Usability Testing of an At-home Preparation Tool for Pediatric Magnetic Resonance Imaging. Poster presented at the Society of Pediatric Psychology Annual Conference, Atlanta, GA.
19. Vargo, M., Chorney, J., Beurpie, I. (Nov 20, 2015) Evaluation of lumbar facet joint steroid injection in clinical practice, a retrospective cohort analysis. Oral presentation given at the American Society of Regional Anesthesia and Pain Medicine 14th Annual Pain Medicine Meeting, Miami, FL.
20. Kiberd, M., Clarke, S., **Chorney, J.** (Oct 1-4, 2015). Aromatherapy for the treatment of PONV: a pilot RCT in children. International Forum on Pediatric Pain, Whitepoint, NS.
21. Ouellette C, Stinson J, Laloo C, Harris L, Gordon A, **Chorney J**, Clark AJ, Rashid S, Simmonds M, Jibb L, Cafazzo J, Campbell F. (Aug, 2015). iCanCope with Pain: Usability testing of a self-management app for adolescents and young adults with chronic pain. Poster presentation at SickKids Summer Research Program Symposium Day. The Hospital for Sick Children. Toronto, ON
22. Jones, K., **Chorney, J.**, King, S., Forgeron, P. (May 31-June 4, 2015) Recovery to fitting in at school following scoliosis surgery. Poster presentation at the 10<sup>th</sup> International Symposium of Pediatric Pain, Seattle, WA.
23. Birnie, K.A., Chambers, C.T., **Chorney, J.**, Fernandez, C.V., McGrath, P.J. (May 23, 2015). Predicting child pain outcomes from child and parent pain catastrophizing, anxiety, and distress. Poster accepted for presentation at the Annual Meeting of the Canadian Pain Society. Charlottetown, PEI.
24. Munro, A., George, R., Rosen, N. **Chorney, J.**, Snelgrove-Clarke E. (May 2015) Prevalence and Predictors of Chronic Pain in Childbirth. Podium presentation at Society for Obstetric Anesthesia and Perinatology Annual Meeting. Colorado Springs, Colorado.

25. Lowy, M., Gorodzinsky, A., **Chorney, J.** (May 8, 2015). Individual differences in memory of pain following wisdom teeth removal. Poster presentation at the Dalhousie Pain Research Day in Halifax, NS.
26. Gorodzinsky, A., Chorney, J. & PORSCHE Study Group (May 8, 2015). Use of physical and psychological techniques to alleviate adolescents' postoperative pain at home. Presentation given at Research Day. Poster presentation at the Dalhousie Pain Research Day in Halifax, NS
27. Gorodzinsky, A., Chorney, J. & PORSCHE Study Group (April 24, 2015). Use of physical and psychological techniques to alleviate adolescents' postoperative pain at home. Presentation given at Research Day (Department of Anesthesia, Pain Management and Perioperative Medicine, Dalhousie University. Halifax, NS.
28. Vargo, M., **Chorney, J.**, Beauprie, I. (April 24, 2015). Evaluation of lumbar facet joint injection, a retrospective cohort analysis. Presentation given at Research Day (Department of Anesthesia, Pain Management and Perioperative Medicine, Dalhousie University. Halifax, NS.
29. Richard, H., **Chorney, J.**, Gillespie, J. (April 16-18, 2015). Rationale and Proposed Method for Pre-operative Psychological Intervention in Pediatric Orthopedics. Poster to be presented at the 2015 Society of Pediatric Psychology Annual Conference, San Diego, California.
30. Allen, S., **Chorney, J.**, Smith, I., Latimer, M. (April 16-18, 2015). Identifying ways to improve the surgical experiences of children with autism spectrum disorder. Poster to be presented at the 2015 Society of Pediatric Psychology Annual Conference, San Diego, California.
31. Rancourt, K., **Chorney, J. M.**, Kain, Z. (April 16-18, 2015) Descriptive and Sequential Analyses of Mothers' and Fathers' Touch Behaviours and Their Relation with Children's Postoperative Distress. Poster presentation at The Society of Pediatric Psychology Annual Conference, San Diego, CA.
32. Bailey, K., Rancourt, K., Allen, S., Lamontagne, C., **Chorney, J.** (October, 2014) Services for pediatric chronic pain in Canada: Results of a national survey. Poster presentation at the 15<sup>th</sup> World Congress on Pain (International Association for the Study of Pain), Buenos Aires, Argentina.
33. Birnie, K., Chambers, C., **Chorney, J.**, Fernandez, C., & McGrath, P. (October, 2014) Relationships between anxiety, the parent-child dyad, and parenting during a conflict discussion task. Poster presentation at the Dalhousie University Department of Psychiatry 24th Annual Research Day. Halifax, NS
34. Hatchette, J., Ritchie, K., **Chorney, J.**, Corbin, J. (October, 2014) Comprehensive Research Education Online (creo<sup>TM</sup>): Addressing the gaps in resident research education.

Poster presentation at The International Conference on Residency Education. Toronto, Ont.

35. Hatchette, J., Ritchie, K., **Chorney, J.** (October, 2014) Understanding Residents' Attitudes Toward Research and Research Education. Poster presentation at The International Conference on Residency Education. Toronto, Ont.
36. Gorodzinsky, A, Y., **MacLaren Chorney, J.**, PORSCHE Study Group. (May 20-23, 2014) Parental pain catastrophizing does not seem to influence degree of analgesic use for pediatric post-operative pain. Poster presentation at the Canadian Pain Society Annual Scientific Meeting, Quebec City, QC.
37. Gorodzinsky, A, Y., **MacLaren Chorney, J.**, PORSCHE Study Group. (March 28-29, 2014) Is pain catastrophizing really so bad? Prospective changes in pain catastrophizing and pain intensity following major surgery. Poster presentation at Society for Pediatric Psychology Annual Conference, Philadelphia, PA.
38. Jones, K.M., **Chorney, J.**, Archibald, K., Forgeron, P. (May 20-23, 2014) Successfully navigating the stress and pain of surgery: Parents' experiences of caring for their children in the perioperative period. Poster presentation at the Canadian Pain Society Annual Scientific Meeting, Quebec City, QC.
39. Bailey, K., Bird, S., MacKay, J., McGrath, P., **Chorney, J.** (May 20-23, 2014) Does more preparation for parental presence at anesthesia induction result in better pediatric post-operative pain outcomes? Poster presentation at the Canadian Pain Society Annual Scientific Meeting, Quebec City.
40. Bailey, K., Bird, S., MacKay, J., McGrath, P., **Chorney, J.**, (March 27-29, 2014) Can the effectiveness of parental presence to reduce children's preoperative anxiety be improved? A randomized controlled trial of a parent preparation tool. Poster presentation at the National Conference in Pediatric Psychology, Philadelphia, PA
41. Glowacka, M., Rosen, N.O., **Chorney, J.**, Snelgrove-Clarke, E., George, R. (April 3-5, 2014) Prevalence and predictors of genito-pelvic pain in pregnancy and postpartum: the impact of fear-avoidance. Poster presentation at the Society for Sex Therapy and Research (SSTAR) meeting, Pittsburgh, PA.

### CLINICAL EXPERIENCE

2018-present	Registered Psychologist (R0629), Community Mental Health and Addictions, IWK Health Centre, Halifax, Nova Scotia Provides direct intervention for children, youth, and families experiencing a range of mental health concerns (anxiety, depression, behavior disorders). Provides consultation and supervision to peers on Motivational Interviewing and Acceptance and Commitment Therapy.
2009–2018	<i>Registered Psychologist (R0629), Pediatric Complex Pain Service, IWK Health Centre, Halifax, Nova Scotia</i> Provides consultation to multidisciplinary chronic and acute pain management team. Conducts initial assessments of psychological factors contributing to children’s pain. Provides individual and group based cognitive behavioral and psychoeducational interventions for chronic pain and related disorders including sleep disorders, anxiety and depression. Leads outcome measurement and quality improvement initiatives. Supervises practicum students and clinical residents.
2006–2007	<i>Postdoctoral Fellow, Pediatric Pain Service, Yale University School of Medicine and Yale–New Haven Children’s Hospital, New Haven, Connecticut.</i> Supervisors: Diane Findley, Ph.D. and Brenda McClain, M.D. Provided consultation to multidisciplinary chronic pain management team. Provided brief behaviorally–based interventions for coping with chronic pain and recommendations for continued pain management strategies.
2005–2006	<i>Predoxloral Clinical Internship, Child/Pediatric Track, Brown University Clinical Psychology Training Consortium, Providence, Rhode Island.</i>  <i>Rotation:</i> Early Childhood Center, Bradley Hospital <i>Supervisors:</i> Christine Low, Ph.D., Susan Dickstein, Ph.D.

Completed assessments and screening interviews and provided recommendations to facilitate placement of children entering Head Start. Consulted to Head Start programs to provide recommendations and work with teachers to implement individual and class-based interventions for children with behavioral and psychosocial difficulties.

*Rotation:* Pediatric Psychology, Rhode Island Hospital

*Supervisors:* Elissa Jelalian, Ph.D., Jack Nassau, Ph.D., Julie Boergers, Ph.D., Robyn Mehlenbeck, Ph.D.

Provided on call consultation-liaison services to pediatric medical inpatients with psychiatric concerns. Provided individual and family therapy to children with chronic medical conditions in a day treatment setting. Participated in a multidisciplinary sleep clinic to complete evaluations and provide recommendations for behavioral treatment. Conducted biofeedback intervention for children with headache and other recurrent or chronic pain conditions.

*Rotation:* Women's Partial Hospitalization Program, Butler Hospital.

*Supervisor:* Ellen Costello, Ph.D.

Conducted psychoeducational groups and individual therapy within a Dialectical Behavior Therapy framework for women with borderline personality disorder and other psychiatric conditions in a day treatment program. Conducted initial assessment and facilitated appropriate placement for adult patients being admitted for psychiatric treatment.

2004–2005

*Practicum Student, Oasis Occupational Rehabilitation and Pain Management, Morgantown, WV.*

*Supervisors:* Richard Gross, Ph.D., Jeannie Speary, Ph.D.

Worked as part of a multidisciplinary functional restoration program to provide psychoeducational groups and individual relaxation training for chronic pain. Conducted vocational evaluations including intelligence, achievement, and career interest components to facilitate return to work for patients with disabilities.

2003–2004

*Pediatric Psychology Extern, Burn Trauma Unit, Western Pennsylvania Hospital, Pittsburgh, PA*

*Supervisor:* Lee Weinberg, Ph.D.

Provided psychological consultation and brief therapy to inpatient and outpatient children to facilitate treatment and adjustment to burn injuries. Provided distraction and relaxation-based interventions for procedure-related pain. Coordinated psychological portion of a one-week summer camp for survivors of burn injuries.

2003–2004

*Graduate Student Therapist School-based Psychology Clinical Team, Mountainview Elementary School, Morgantown, WV.*

*Supervisor:* Amy Strange, Ph.D.

Conducted screening assessments to facilitate appropriate classroom placement and provided recommendations for behavior management issues in the classroom. Provided individual and group therapy for children with anxiety and social skills deficits.

2002–2003 *Graduate Student Therapist, Pediatric Psychology Clinical Team, Quin Curtis Center, West Virginia University.*  
Served as a consultant to pediatric hematology/oncology service. Attended multidisciplinary rounds, assisted in case conceptualization and recommendations. Consulted to pediatric hospitalist service in the management of patients with difficulty adjusting to illness and hospitalization.

2001–2003 *Graduate Student Therapist, Child Psychology Practicum Team, Quin Curtis Center, West Virginia University.*  
Conducted assessment, individual, and family therapy for children with a range of internalizing and externalizing disorders. Included provision of parent–training interventions.

## TEACHING AND SUPERVISION

### Course Instructor:

2015 Psychology 6308: Advanced Topics in Intervention: Acceptance and Commitment Therapy (Graduate; 1 semester), Dalhousie University, NS.  
2012 and 2014 Instructor: Inter–Professional Health Education Aboriginal Peoples Experiences with Pain Mini Course. Faculty of Health Professional 4900/5900 (Undergraduate; 4 classes), Dalhousie University, NS.  
2004 Instructor: Health Psychology, West Virginia University, (Undergraduate; 1 semester)  
2003 Instructor: Controversial Issues in Psychology, West Virginia University, (Undergraduate; 1 semester)

### Guest Lectures and Teaching Assistantships:

2019 Guest Lecture: Acceptance and Commitment Therapy. PSYO 6204: Psychological Interventions: A Lifespan Perspective (Graduate), Dalhousie University, NS  
2015 Guest Lecture: Acceptance and Commitment Therapy. IWK/CDHA Resident Seminar, Halifax, NS  
2014 Guest Lecture: Acceptance and Commitment Therapy: An Introduction. PSYO 6204: Psychological Interventions: A Lifespan Perspective (Graduate), Dalhousie University, NS  
2014 Guest Lecture: Acceptance and Commitment Therapy. PSYO 3220: Clinical Psychology (Undergraduate), Dalhousie University, NS

- 2012 Guest Lecture: Multidisciplinary Treatment of Pediatric Chronic Pain: A case example of comorbid pain and PTSD. PSYO 6304 (Graduate): Clinical Rounds Case Conference, Dalhousie University, NS.
- 2012 Guest Lecture: Transition from graduate school to postdoctoral fellow. Pain in Child Health Training Institute, Whistler, BC.
- 2011 Guest Lecture: Helping patients change behavior. School of Nursing, Dalhousie University, NS.
- 2007 Guest Lecture: Physiological Stress Reduction, Seminar in Empirically Supported Treatments, Yale University Child Study Center, New Haven, CT.
- 2003 Teaching Assistant: Child Behavior Modification (Graduate: 1 semester), West Virginia University,
- 2003 Teaching Assistant: Behavioral Assessment (Graduate: 1 semester), West Virginia University,
- 2002 Teaching Assistant: Introduction to Clinical Psychology (Graduate: 1 semester), West Virginia University,
- 2001–2002 Teaching Assistant: Introduction to Psychology (Undergraduate: Two Semesters), West Virginia University

Workshops and Professional Development Instruction:

- 2019 Workshop: Motivational Communication (2 Days). Schools Plus and School Mental Health Professional Development Day, IWK and NSHA
- 2019 Workshop: Motivational Communication (1 Day). Adolescent Outreach Workers, NSHA.
- 2015 Workshop: Acceptance and Commitment Therapy (Full Day). Dalhousie University, NS.
- 2011 Workshop: Behavioral coding and analysis (Full Day). Dalhousie University, NS.
- 2010 Workshop: Behavioral coding and analysis (Half Day). Pain in Child Health Training Institute, Montreal, QC.
- 2005 Professional Development for Headstart Staff: Sleep in infants and toddlers, Tritown Community Action Program, Providence, RI.

Research Supervision:

Postdoctoral Fellow

Ayala Gorodzinsky (2013–2015)

Dalhousie Clinical Psychology PhD Students

Melissa Howlett (Primary supervisor, 2014–present): mhowlett@dal.ca

Stephanie Allen (Primary Supervisor, co-supervised with Isabel Smith, 2013–present): stephaniallen@gmail.com
