

CURRICULUM VITAE (CV)
January 1, 2025

DR. ABRAHAM (RAMI) RUDNICK

BMedSc, MD, MPsy, PhD, FRCPC, CCPE, CPRRP, MCIL, DFCPA, mMBA

**Professor, Departments of Psychiatry and Bioethics,
Faculty of Medicine, and
School of Occupational Therapy, Faculty of Health,
Dalhousie University,
Halifax, Nova Scotia, Canada;
Clinical Director,
Nova Scotia Operational Stress Injury Clinic
Nova Scotia Health Authority
Canada**

BIO SKETCH

Dr. Abraham (Rami) Rudnick is a certified psychiatrist and a PhD-trained philosopher. He is a Professor in the Department of Psychiatry of the Faculty of Medicine and was the inaugural head of its Section of Community Psychiatry, and he is cross-appointed in the Department of Bioethics of the Faculty of Medicine and in the School of Occupational Therapy of the Faculty of Health, all at Dalhousie University in Halifax, Nova Scotia, Canada, where he was a Director of the Research in Medicine program. He is also a member of the Rotman Institute of Philosophy at Western University in London, Ontario, Canada. He is the Clinical Director of the Nova Scotia Operational Stress Injury Clinic at the Nova Scotia Health Authority in Canada where he practices clinical psychiatry. He has a Masters Certificate in Innovation Leadership and a mini Masters of Business Administration Certificate, both from York University in Toronto, and he is a Canadian Certified Physician Executive and a Certified Psychosocial Rehabilitation and Recovery Practitioner. He was a member of the Board of Directors of Research Canada and the inaugural Chair of its Task Force on Racial and Indigenous Justice in Health Research and Related Innovation, and he is the Chair of the Public Policy Committee of the Canadian Psychiatric Association and the Co-Chair of the Policy and Health Issues Committee of Doctors Nova Scotia, among other provincial and national committee memberships. He is a recipient of the pioneer award granted by Psychosocial Rehabilitation/Réadaptation Psychosociale Canada and of the Michael Smith award granted by the Schizophrenia Society of Canada, as well as a Distinguished Fellow of the Canadian Psychiatric Association and a Distinguished Fellow and Gold Medalist of the European Society for Person Centered Healthcare. He is the Editor-in-Chief of the Canadian Journal of Physician Leadership and was the Editor-in-Chief of the International Journal of Mental Health and the founder of the first Canadian Unit of the International Network of a UNESCO Chair in Bioethics Education. His clinical academic and administrative expertise includes person-centered health services, psychiatric/psychosocial rehabilitation, operational stress injury, social determinants of health, digital health technology, health care administration, bioethics and philosophy of health. His research involves mixed (quantitative, qualitative, conceptual and normative) methods.

RESEARCH AND RELATED SCHOLARLY ACTIVITIES

Grants

Peer reviewed

- 2005 Principal Investigator (PI), Risk factors of refractory schizophrenia, Consortium for Applied Research in Mental Health (CAREMH), Funded by Canadian Institutes of Health Research (CIHR), \$3,500
- 2006 Co-Investigator (co-I), Poverty and Mental Health (Letter of Intent), PI: Forchuk C, Social Sciences and Humanities Research Council (SSHRC), Funded, \$20,000
- 2007 Co-Investigator (co-I), (Development Grant), Knowledge translation in mental health and addictions, PI: Forchuk C, Canadian Institutes of Health Research (CIHR), Funded, \$5,000
- 2007 Co-Investigator (co-I), (Development Grant), Protective factors in mental health, PI: Norman R, Canadian Institutes of Health Research (CIHR), Funded, \$7,400
- 2007 Principal Investigator (PI), Dialogue in clinical neuroethics: an exploratory study of the impact of cognitive and other mental impairments on patient participation in ethics consultations, Consortium for Applied Research in Mental Health (CAREMH), Funded by Canadian Institutes of Health Research (CIHR), \$1,500
- 2007 - 2008 Co-Investigator (co-I), Peer led versus therapist led group therapy for patients with co-occurring disorders: a qualitative study, PI: Balachandra K, St. Joseph's Health Care Foundation, Funded, \$1,500
- 2007 - 2008 Co-Investigator (co-I) , Reducing Discharges from Psychiatric Wards to Shelters and no Fixed Address, PI: Forchuk C, Canadian Institutes of Health Research (CIHR), Funded, \$52,200
- 2008 Co-Investigator (co-I), Poverty and Mental Health (Letter of Intent). PI: Forchuck C,

- Social Sciences and Humanities Research Council of Canada (SSHRC), Funded, \$20,000
- 2008 - 2010 Co-Applicant (co-A), Employment Innovations Fund: Fostering recovery, PI: Lau W, Ontario Ministry of Community & Social Services, Funded, \$199,500
- 2008 - 2010 Principal Investigator (PI), Fostering recovery: employment support through training and trades, Consortium for Applied Research in Mental Health (CAREMH), Funded by Canadian Institutes of Health Research (CIHR), \$ 9,436
- 2008 - 2011 Co-Investigator (co-I), Survey of mental health services in smaller communities in Northern Ontario, PI: Swenson, R, Ontario Psychiatric Outreach Programs (Ontario Ministry of Health), Funded, \$130,000
- 2008 - 2011 Co-Principal Investigator (co-PI), Immigration and psychosis, PI: Jwely A, St. Joseph's Health Care Foundation (London, Ontario, Canada), Funded, \$5,200
- 2008 - 2011 Co-Principal Investigator (co-PI), Humor-related interventions for mental health care service users: a feasibility and exploratory study, PI: Martin R, Consortium for Applied Research in Mental Health (CAREMH), Funded by the Canadian Institutes of Health Research (CIHR), \$14,290
- 2008 - 2011 Co-Investigator (co-I), Cognitive remediation for inpatients with schizophrenia or schizoaffective disorder using "smart" technology in a simulated apartment: a feasibility and exploratory study, PI: Corring D, University of Western Ontario's Department of Psychiatry and St. Joseph's Health Care Foundation (London, Ontario, Canada), Funded,\$ 17,000
- 2008 - 2012 Principal Investigator (PI), Dialogue in clinical neuroethics: an exploratory study of the impact of cognitive and other mental impairments on patient participation in ethics consultations, Canadian Institutes of Health Research (CIHR), Funded, \$98,898
- 2009 - 2010 Co-Principal Investigator (co-PI), Barriers, enablers and related strategies in relation to supported post-secondary education for people with mental health challenges: a pilot (organizational) case study, PI: McEwan R, ARIPU - Fanshawe College London Ontario, Funded, \$ 5,640
- 2009 - 2011 Co-Investigator (co-I), Evaluation of CAREs: A street level strategy to address homelessness, addictions, and mental health, PI: Forchuk C, Canadian Institutes of Health Research (CIHR), Funded, \$7,500
- 2009 - 2012 Co-Investigator (co-I), and Lead of Ethics Research, Youth matters in London: mental health, addiction and homelessness, PI: Forchuk C, Canadian Institutes of Health Research, Funded, \$150,000, Mental Health Commission of Canada, Funded, \$350,000 (total \$500,000)
- 2010 - 2011 Co-Investigator (co-I), Poverty and mental health (CURA Letter of Intent)), PI: Forchuk C, Social Sciences and Humanities Research Council (SSHRC), Funded, \$20,000
- 2010 - 2012 Co-Investigator (co-I), and Lead of Ethics Research, Poverty and mental health: issues, challenges and solutions, PI: Forchuk C, Ontario Mental Health Foundation, Funded, \$150,000
- 2011 - 2012 Co-Principal Investigator (co-PI), Mental health smart technology - supporting patients in our community, PI: Corring D, Nicholaas& Regina Veenboer Foundation, Funded, \$25,000

- 2011 - 2016 Co-Investigator (co-I), and Lead of Ethics Research, Community University Research Alliance (CURA) Award, Poverty and social exclusion, PI: Forchuk C, Social Sciences and Humanities Research Council of Canada (SSHRC), Funded, \$1,000,000
- 2011 - 2013 Co-Investigator (co-I), and Lead of Tertiary Mental Health Care Research, Mental Health Engagement Network (MHEN): Connecting clients with their health team, PI: Forchuk C, Canada Health Infoway (75%) and Telus (25%), Funded, \$ 1,797,226 (returned)
- 2013-2019 Co-Investigator (co-I), The study of complex community relationships, inadequate Income, homelessness, and broad determinants of health, for improved mental health outcomes, Principal Investigator (PI): Forchuk C, Canadian Foundation for Innovation (40%) and Co-Sponsors (60%), Funded, \$380,566
- 2013 Co-Investigator, Youth Mental Health Engagement Network, The Sandbox Project, (SP), Funded, \$200,000
- 2014 - 2015 Principal Investigator (PI), Integrating supported employment with supported postsecondary education for people with mental illness: an exploratory randomized controlled study, Island Health Research Support Competition, Funded, \$40,000
- 2014 - 2015 Principal Investigator (PI), Integrating supported employment with supported postsecondary education for people with mental illness: a research collaboration to develop a multi-site randomized controlled trial, Island Health Research Catalyst Grant, Funded, \$75,000
- 2015 - 2020 Co-Investigator (co-I), Ontario-based Canadian Research Initiative in Substance Misuse Node Team(OCRINT), Principal Investigator (PI): Wood E, Canadian Institutes of Health Research (CIHR), Funded, \$1,797,635
- 2016 - 2017 Co-Investigator (co-I), TELEPROM-G: a study evaluating access and care delivery of telehealth services among community-based seniors, Principal Investigator (PI): Forchuk C, TVN Canadian Frailty Network, Funded, \$100,000
- 2016 - 2017 Co-Investigator (co-I), Smart homes: developing and testing strategies supporting community re-integration for clients with severe mental illness, Principal Investigator (PI): Forchuk C, Canadian Institutes of Health Research (CIHR), Funded, \$100,000
- 2018 - 2020 Co-Investigator (co-I), TELEPROM-Y: improving access and experience of mental healthcare for youth through virtual models of care, Principal Investigator (PI): Forchuk C, Ontario Centres of Excellence (OCE), Funded, \$395,109
- 2018 - 2020 Co-Investigator (co-I), Smart homes: supporting community integration for clients with severe mental illness, Principal Investigator (PI): Forchuck C, National Housing Strategy (NHS) Demonstrations Initiative of the Canada Mortgage and Housing Corporation (CMHC), Funded, \$249,996
- 2019- 2020 Co-Investigator (co-I), Transition experiences and needs of trauma survivors after their exploitation, forced labour and violence towards them in two Canadian cities, Principal Investigator (PI): Shaw L, Dalhousie University's Faculty of Health Research and Development Grant, Funded, \$5,000
- 2019 - 2020 Co-Investigator (co-I), A randomized control trial of a novel approach to cognitive training in public safety personnel with post traumatic stress injuries, Principal

Investigators (PIs): McKinnon MC, Lanius RA, Team Grant: Mental Wellness in Public Safety Team Grants – Letter of Intent, Canadian Institutes of Health Research, \$30,000

2019 - 2021 Co-Principal Investigator (co-PI), Family psychoeducation for military Veterans: a pilot study, Principal Investigator (PI): Norris D, Mount Saint Vincent University Internal Social Sciences and Humanities Research Council Explore Grant, \$2,950

2020 - 2021 Co-Investigator (co-I), The ethics of using cue exposure methodology in cannabis users with trauma histories: a mixed methods study from the perspective of people with lived experience, Principal Investigator (PI): Romero Sanchiz P, Department of Psychiatry at Dalhousie University, \$10,000

2020 - 2021 Co-Investigator (co-I), Neural mechanisms underlying relief and reward craving in concurrent PTSD - cannabis use disorder: a cue exposure plus fMRI pilot study, Principal Investigator (PI): Stewart S, Department of Psychiatry at Dalhousie University, \$19,635

2020 - 2023 Co-Investigator (co-I), Team grant: A randomized control trial of a novel approach to cognitive training in public safety personnel with post traumatic stress injuries, Principal Investigators (PIs): McKinnon MC, Lanius R, Canadian Institutes of Health Research, \$990,000

2021 – 2022 Principal Investigator (PI), The True Patriot Love Mental Health Technology Initiative: Sharing of military Veterans’ mental health data across Canada: a scoping review. Canadian Institute for Military and Veteran Health Research, \$10,000

2021 - 2022 Co-Investigator (co-I), CIHR Catalyst Grant: PTSD-cannabis use disorder comorbidity: associative memory mechanisms, Principal Investigator (PI): Stewart S, Canadian Institutes of Health Research, \$115,000

2021 - 2023 Co-Investigator (Co-I), Sudarshan Kriya Yoga (SKY) for Canadian Veterans with PTSD: a nation-wide effectiveness and implementation evaluation. Principal Investigator (PI): Upshur R, Atlas Institute for Veterans and Families, Ottawa, Canada, \$424,178

2022 - 2023 Co-Investigator (Co-I), Education, peer support, and community partnership to support harm reduction strategies in hospitals. Principal Investigators (PIs): Forchuk C, Silverman M, Health Canada, \$436,608

2024 - 2028 Co-Investigator (co-I), Canadian women veterans experiencing homelessness: current state and suggested solutions. Principal Investigator (PI): Forchuk C, Infrastructure Canada, \$1,500,000

Other

2006 - 2015 Principal Applicant (PA), (Unrestricted Grant), Novartis, Funded, \$100,000

2007 - 2011 Co-Investigator (co-I) (Investigator Initiated Grant), A retrospective (post-marketing) case-report series of patients receiving olanzapine IM outside of product monograph doses and indications: assessing safety and tolerability, PI: Lamoure J, Eli-Lilly, Funded, \$8,100

2008 - 2012 Principal Applicant (PI) (Unrestricted Grant), Adherence enhancement, Janssen-Ortho, Funded, \$10,500

CV Abraham Rudnick

- 2009 - 2011 Co-Principal Investigator (co-PI) (Unrestricted Grant), Humor-related interventions for mental health care service users: a feasibility and exploratory study, AstraZeneca, Funded, \$16,000
- 2009 - 2012 Principal Applicant (PA) (Unrestricted Grant), Mylan, Funded, \$2,000

Research Endeavours (Principal)

present	Person-centered mental health service (clinical, academic and administrative)
present	Psychiatric/psychosocial rehabilitation (vocational and other)
present	Mental stress and trauma (re military and other experiences)
present	Digital mental health services (apps and more)
present	Social determinants of mental health (housing and more)
present	Ethics and philosophy of health (bioethics and more)

Other Professional Research Activities**Education - Continuing**

2007	International Institute for Qualitative Methodology, Participant, Edmonton, Alberta, Canada
2022	Psychedelic-Assisted Psychotherapy: The Next Frontier, Harvard University (Continuous Education Programs), Participant (remote synchronous learning)

Education - Other

2007	Royal College of Physician and Surgeons, Canada, Author, Instructional ethics case (Coercion in psychiatric rehabilitation), Bioethics Project, Canada
------	--

Research Interest Keywords

Care, coping, ethics, health, mental, military veterans, person-centered, philosophy, psychiatric/psychosocial rehabilitation, smart technology, social determinants/justice, stress, trauma

HONOURS AND AWARDS

1976 - 1979	American-Israeli (Sharet) Funded Scholarship, classical piano performing, Israel
1998 - 2019	Who's Who in the World
1999	Fellowship Scholarship, \$4,000, Israel Medical Association, Israel
1999	Young Investigator Award, Association for Clinical Psychosocial Research
2000	Junior Investigator Award, \$1,000, American Psychiatric Association
2005	University Student Council Teaching Honour Roll Certificate, University of Western Ontario, Ontario, Canada
2006	Consortium for Applied Research in Mental Health (funded by Canadian Institutes of Health Research) Travel Award, \$2,500, Presentation, International Conference of Philosophy, Psychology & Psychiatry
2007	Social Sciences and Humanities Research Council (Canada) University of Western Ontario, Travel Award, \$2,290, 9th World Congress Psychosocial Rehabilitation

- 2007 University of Western Ontario, Faculty of Medicine, Development Mini Fellowship Award, \$3,674, International Institute for Qualitative Methodology
- 2008 - 2019 Who's Who in Medicine and Health Care
- 2010 Star of the Year Award, Department of Psychiatry, University of Western Ontario, Canada
- 2010 Supervision of Best Trainee Presentation, Academic Research Day, Department of Psychiatry, University of Western Ontario
- 2011 Best Paper, 12th Annual Research Half Day, Regional Mental Health Care
- 2012 The Brickenden Award for Youth Drama (on aboriginal women's mental health and related issues), The Rez Sisters, written by Thomson Highway and directed by Bill Hill. Rudnick A. - composer and performer of keyboard music. (www.brickenden.org), Ontario, Canada
- 2013 Invited participant, Mental Health Commission of Canada's SPARK Training Institute, Victoria, British Columbia, Canada
- 2013 Invited Visiting Researcher, Health as self-organization: a philosophical examination, Brocher Foundation, Hermance, Switzerland
- 2014 Consultant, Excellence in Quality – Living with Illness Award, BC Patient Safety & Quality Council, Rapid Access to Consultative Expertise (RACE) - Psychosis, Vancouver, British Columbia, Canada
- 2014 Featured Author (Serious Mental Illness), Book Exhibit, 31st Annual Winter Roundtable on Cultural Psychology and Education, Columbia University, New York City, USA
- 2014 Best Oral Presentation: Using smart technology to support rehabilitation – A feasibility study, Regional Mental Health Care Annual Research Day, London, Ontario
- 2014 Recovery Research Pioneer Award, Psychosocial Rehabilitation (PSR) /Réadaptation Psychosociale (RPS) Canada, Toronto, Ontario, Canada
- 2015 Michael Smith Research Award, Schizophrenia Society of Canada, Ottawa, Ontario
- 2015 Distinguished Fellowship, European Society for Person Centered Healthcare (DFESPCH), London, UK
- 2016 - 2022 Fellowship, Canadian Psychiatric Association (FCPA), Toronto, Ontario, Canada
- 2016 Gold Medal, European Society for Person Centered Healthcare, London, UK
- 2019 Educator of the Year Award, Department of Psychiatry, Dalhousie University, Canada
- 2022 - present Distinguished Fellowship, Canadian Psychiatric Association (DFCPA), Toronto
- 2023 Leadership Award, Department of Psychiatry, Dalhousie University, Canada
- 2024 Most read paper 2022, Journal of Military, Veteran and Family Health Research
