

# Job Opportunities in **Psychiatry**

**DALHOUSIE**  
UNIVERSITY

## Job Posting: Integrated Specialty Services (EPP, Mood Disorder, and Community)

The Department of Psychiatry of Dalhousie University and NSHA, Central Zone, has an excellent opportunity for a Psychiatrist to work on integrating specialty services of EPP & Mood Disorders with Community General Adult services, starting at Bayer's Rd. Community Mental Health Centre.

This position requires a psychiatrist with experience in first presentations of unspecified mood disorders and psychosis. The position will be based in part (0.4 FTE) between the NS Early Psychosis Program and the Mood Disorder Clinic, and in part (0.6 FTE) at the Bayer's Rd. Community Mental Health Centre.

### The requirements of this position include:

- Leadership skills to work on establishing a new program within the Department of Psychiatry.
- Experience in working with a multidisciplinary team in establishing the care needs of these patients.
- Special interest and experience in first presentations overlapping between mood and psychotic disorders.
- Understanding of the research environment in the university academic setting.

**Eligibility:** Fellowship in psychiatry, Royal College of Physicians and Surgeons of Canada, or equivalent as determined by the Department of Psychiatry; eligible for licensure with the College of Physicians and Surgeons of Nova Scotia. For information on licensure in Nova Scotia please consult the College of Physicians and Surgeons of Nova Scotia website at [www.cpsns.ns.ca](http://www.cpsns.ns.ca).

This is a 1.0 FTE position, Starting Date – TBD, Detailed Job Description: available upon request. The position reports to Dr. Mahmoud Awara, Head, Section of Community Psychiatry

**Deadline:** June 7, 2023

**Apply to:** Janet Bardon, Physician Resource Manager
