*I certify that my answers in this application are true and complete to the best of my knowledge. If this application leads to a Fellowship at Dalhousie University, I understand that false or misleading information in my application or interview may result in my release.*

Signature: \_\_\_\_\_ Date: \_\_\_\_\_

**POSTGRADUATE TRAINING:**

Answers to each of the following questions are required. Failure to answer or leave the section blank will result in a delay or potential denial of the credentialing and licensing process, with a subsequent delay in the start of your training.

Specify any graduate preceptorships, internships, residencies, or fellowships in which you were enrolled:		
Institution		
Address		
Program Director or Preceptor:		
Type of Preceptorship, Internship, or Residency:		
Dates:	From YYYY-MM-DD	To YYYY-MM-DD
If you have been registered or are currently registered in any other postgraduate training program, please note this information here.	Program:	
	Dates:	
	Reasons for leaving position:	
Have you ever had an application for medical licensure rejected? If yes, please explain.		
Are you presently or have you ever been subject to an allegation, complaint, or investigation for any reason whatsoever by a medical licensing authority? If yes, please explain.		
Have you ever withdrawn, been suspended, or been expelled from a medical school? If yes, please explain.		
Have you ever withdrawn from a postgraduate training program or been suspended or removed from practice during a postgraduate training program?		
Is there any event, circumstance, condition, or matter not disclosed in your answers to the preceding questions with respect to your character, conduct, competence, or capacity that might be an impediment to your application for Postgraduate training or licensure? If yes, please explain.		

<p>If you have already completed a part of your training, briefly list what further training you require in order to be eligible for the specialty examinations you plan to sit (e.g; 6 months pathology, 6 months neonatology). If your training has been assessed by either The Royal College of Physicians and Surgeons of Canada or The College of Family Physicians of Canada, <b>submit a copy of the assessment.</b></p>	
---	--

**EXAMINATION HISTORY**

EXAMINATIONS PASSED: (Record date exam passed.)	(YYYY-MM-DD)
Medical Council of Canada Evaluating Exam (MCCEE)

### CATEGORIES FOR REQUIRED DOCUMENTATION FOR SUBMISSION TO PROGRAMS

Candidates must provide the required documentation to the program selection committee:

**REQUIRED DOCUMENTATION FOR CANDIDATES WITHOUT PREVIOUS TRAINING AT DALHOUSIE** Submit the following documents to support your application and provide them directly to the receiving program. It is not acceptable to reuse documents that previously supported a CaRMS entrance application.

*The program may require additional documents beyond those noted below:*

1. **Completed application form**
2. **Dean's letter** (note category this application falls into):
  - a) **PGY1 Applicants** are required to supply a Medical Student Performance Record (sometime referred to as Undergraduate Dean's letter) that is an overview of their studies in Medical School,
  - b) **PGY2 & Higher Applicants** are required to supply a letter from the Postgraduate Dean verifying the candidate's postgraduate training dates and that the resident is in Good Standing.
3. **Official medical school transcript confirming MD convocation.**
4. **Three recent reference letters** sent directly by your referees to the relevant program or fellowship director.
5. **A Curriculum Vitae** (List appointments or positions, including residencies since graduation. List chronologically, giving dates, names of hospitals and specialty, etc. Also list publications, etc.)
6. **Letter of Intent.**
7. **Immigration Status:** If you are residing in Canada with immigration documents you must supply evidence of your work permit or permanent resident status. Changes to status from permanent resident to Canadian citizen must be evidenced by documentation.
8. **Language:** Dalhousie University requires all applicants to be eligible to register for a license in all provinces in which the program **requires** training. Both the College of Physicians and Surgeons of Nova Scotia and College of Physicians and Surgeons of Prince Edward Island have specific regulations regarding English language proficiency for physicians with MDs from outside of Canada. Please click here for details: <https://cpsns.ns.ca/resource/english-language-proficiency/>

**REQUIRED DOCUMENTATION FOR TRAINEES CURRENTLY IN THE DALHOUSIE SYSTEM** and applying for training in one of the following categories:

- 1) Sub-specialty,
- 2) AFC Diploma,
- 3) Fellowship
- 4) Program transfer

**Please submit the following documents to support your application and provide them directly to the receiving program.** Please note that it is not acceptable to reuse documents that previously supported a CaRMs entrance application. *The program may require additional documents beyond those noted below:*

- 1) **This application form**
- 2) **Official medical school transcript.**
- 3) **Program Director's Letter in lieu of Dean's Letter:** Dalhousie University residents applying require a letter from their Program Director rather than a Dean's letter.
- 4) **Two recent reference letters**

Once all admissions paperwork is completed, the program will forward the approved application to:

PGME Admissions, Faculty of Medicine,  
Clinical Research Centre,  
Dalhousie University,  
Room C-106, 5849 University Avenue,  
P.O. Box 15000, Halifax, NS, B3H 4R2  
Phone 902-494-3300, Fax 902-494-3644  
email: [admissions.pgme@dal.ca](mailto:admissions.pgme@dal.ca)

**GENERAL CANDIDATE INFORMATION:**

Upon acceptance to a program, successful candidates will be provided with required documents and additional instructions needed order to enroll for training at Dalhousie University. These will include, but not exclusive to, a formal Letter of Engagement and Resident Information Profile; appropriate licensing; CMPA; immunizations; ACLS; etc.

All required documentation must be in place prior to joining a training program.

Revised 20 December 2022
