

**OUR MISSION**

**What we exist to do**

To deliver the highest quality clinical care, education, and research in Medical Imaging.

**OUR VISION**

**What we work toward**

To be at the forefront of Radiology in Canada.

**RESEARCH**

**F 7: Leadership with Focus**

G 7.1: To promote radiology-driven research  
G 7.2: To capitalize on existing strengths and exploit new opportunities

**F 8: Building Research Capacity**

G 8.1: To increase human resources for radiology-driven research  
G 8.2: To integrate research services into the administrative structure and operations of the Department of Diagnostic Radiology  
G 8.3: To increase our commitment to research time for faculty

**F 9: Evolving Research Culture**

G 9.1: To raise awareness of research activity and celebrate the successes of our faculty and trainees  
G 9.2: To demonstrate results for resources allocated to research

**EDUCATION**

**F 4: Undergraduate Medical Education**

G 4.1: To advance the Department and the Profession by improving the UGME experience

**F 5: Postgraduate Medical Education**

G 5.1: To be Canada's best and most desirable Resident training program

**F 6: Continuing Medical Education**

G 6.1: To enhance our professional visibility by delivering high-quality CME to referring physicians in the Maritimes  
G 6.2: To be one of Canada's best CME providers for radiologists in targeted areas  
G 6.3: To provide more opportunities for faculty career planning and professional development

**SERVING & ENGAGING SOCIETY**

**F1: Identify and engage in opportunities to serve locally and internationally.**

*G1.1 To participate in RAD-AID  
G1.2 To participate in educational indicatives outside of traditional medical education for the benefit of the wider community.*

**F 2: Highest possible level of clinical performance**

G 2.1: To form a section of Emergency Radiology  
G 2.2: To enhance clinical performance by introducing a Peer Review process

**F 3: Appropriate use of investigations/ services**

G 3.1: To optimize appropriate use of imaging resources *by providing focused education to referring physicians*

**ORGANIZATIONAL, OPERATIONAL & FISCAL RENEWAL**

**F 10: Aligning Faculty Activity with Strategic Priorities**

**G 10.1:** To create for each faculty member, a Career Path Profile aligned with the Department's core strategic priorities  
**G 10.2** To have a robust recording tool to record individual faculty activities.  
**G 10.3** To regularly recognize and celebrate success

**F 11: Building Appropriate Quality & Safety Infrastructure**

**G 11.1:** To provide infrastructure to lead and support Departmental Peer Review and Appropriateness

**OUR CORE VALUES – What characterizes our work**

- Excellence
- Respect
- Accountability
- Collaboration
- Integrity
