

Department of Surgery Grand Rounds

“Competency-Based Education and Surgical Training: Where intention and implementation diverge”

***Presented By:
Dr. Heather McFadgen
Division of General Surgery***

Objectives:

- To understand the changing paradigms in modern surgical training, as it has evolved throughout history.***
- To describe the purpose and intention of competence-based medical education (CBME), and entrustable professional activities (EPAs).***
- To understand where the intention of Competence by Design (CBD) has diverged from the lived experience in surgical training.***
- To consider the future of competence-based training paradigms in surgical programs in Canada.***

***Wednesday, February 11, 2026
7:30 – 8:30a.m.
via Teams***

This event is an accredited group learning activity as defined by the Maintenance of Certification Program of the Royal College of Physicians & Surgeons of Canada
