

CH&E ANALYTICAL SUPPORT PROGRAM

The Department of Community Health & Epidemiology (CH&E) is pleased to announce the launch of the pilot Analytical Support Program. This faculty led initiative provides study design and analytic support for clinical or population-level research projects.

CONSULTING RATES

MSc Student Analyst (\$75/hr) and Faculty Consulting (\$150/hr)

- All analytical work is closely supervised by CH&E faculty to ensure methodological rigour and high-quality results.

AREAS OF EXPERTISE

- Sample size calculations
- Descriptive and inferential statistical analysis
- Predictive modelling
- Advice on study design and methodology

HOW IT WORKS

Complete intake form, attend a meeting, receive a project plan.
