

**DALHOUSIE  
UNIVERSITY**

FACULTY OF MEDICINE  
Department of Surgery

## **Department of Surgery – OPERATING GRANT CALL**

The Department of Surgery Research Committee has earmarked **\$150,000.00** for **OPERATING GRANTS** for the 2024-2025 fiscal year.

**OPERATING Grants: \$ 30,000.00 - \$ 50,000.00**

### **Eligibility:**

- Applicant **MUST** be a faculty member with their primary appointment with the Department of Surgery and must have an established, ongoing research project/program.
- Highest priority will be given to new faculty with protected research time.
- Priority will be given to members who can pool research resources, including personnel.
- An operating grant can be used for equipment, research staff salary, and other expenses deemed important to keep your research momentum and continued productivity/impact.

### **Application:**

- Application to be submitted as a single PDF (no attachments)
- Cover page: Principal applicant(s) name, appointment and contact information.
- Abstract not to exceed 250 words.
- Support letter from your Division Head outlining protected research time - and impact of your research within your Division/Department.
- Description of project – with hypothesis and key objectives clearly defined. The document should include background, methods/statistical approach, expected results and impact/significance. The document is not to exceed 5 pages (not counting references).
- Amount of money requested and a detailed, itemized budget or budget narrative describing how monies will be spent (not to exceed one page).
- A Canadian Common CV for PI. CIHR Biosketch for all co-applicants
- Please note that any incomplete submission will be immediately returned to the application and may be submitted in the next funding competition cycle.

**DUE: Friday November 8, 2024**

Announcement of award: January 2025
