

DAL SURGERY
Research Office

Seed Funding:

The purpose of this award is to support the establishment of new research investigators to the Department of Surgery. The award is intended to provide assistance to new faculty seeking their first research grant to establish their initial projects.

Eligibility

Any member of the Department of Surgery within five years of appointment, or any member of faculty with a NEW project. Priority will be given to faculty within the first five years of appointment.

Applicants must provide evidence of guaranteed protected time for research in the form of a letter from their Division Chief.

Terms of Support

\$50,000 in operational funds for the present academic year.

Requirements

Completion of the Seed Funding Application form

Original application form and electronic copy to Elaine Marsh

Due: Thursday July 14th, 2016
