

TEACHING ASSISTANT/MARKER/DEMONSTRATOR POSTING
DALHOUSIE UNIVERSITY
Halifax, Nova Scotia, Canada B3H 4R2

POSTING DATE: June 18, 2026
APPLICATION DEADLINE: July 3, 2026

POSITION: Teaching Assistant (TA35)
September – December 2026

DEPARTMENT/LOCATION: Department of Psychology and Neuroscience,
Life Sciences Centre, Halifax

PAY RATE: \$1,229 (one term, 35 hours), as per CUPE Collective Agreement

WORK ASSIGNMENT:

For **PSYO/NESC 3670.03 (Genes, Brain and Behaviour)**, the Teaching Assistant will assist in grading of answers to ‘short answer questions’ of in-person midterm and final exams. The marking is concentrated into two intense, short bouts tied to the time of the examinations.

REQUIREMENTS OF POSITION: Applicants must have completed PSYO/NESC 3670 (or equivalent) or have a strong background in cell biology, genetics, or molecular neuroendocrinology. Applicants must have strong writing skills and proficiency in Excel and Word, along with experience using Brightspace.

Please Note: *Non-student TA assignments are limited to no more than six hundred and fifty hours per term. For clarity, this means TAs cannot work in excess of five (5) TA130 contracts. If a TA has accepted six hundred and fifty contract hours in a term, they are not able to accept any additional TA, marker or demonstrator hours.*

We encourage you to apply for all positions you are interested in and qualified for. However, these roles typically require periods of high-intensity work at specific points in the semester (e.g., grading duties and student questions around assessment deadlines). These high-intensity weeks often overlap across courses.

The successful applicant will be responsible for ensuring they can complete all duties accurately and in a timely manner and must realistically assess their capacity before accepting the position.

IF YOU ARE INTERESTED IN THE ABOVE POSITION, PLEASE EMAIL YOUR CV (BY THE APPLICATION DEADLINE) TO:

Dr. Ian Weaver
Email: Ian.Weaver@Dal.Ca

Dalhousie University is committed to fostering a collegial culture grounded in diversity and inclusiveness. The University encourages applications from indigenous persons, persons with a disability, racially visible persons, women, persons of minority sexual orientations and gender identity, and all candidates who would contribute to the diversity of our community.
