APPENDIX A

Faculty of Science Undergraduate Summer Research Awards

Complete this page ONLY if you plan to graduate this May

Part 1: To be completed by student

Graduating students are eligible to compete for undergraduate summer research awards if they are planning to begin a thesis-based graduate program in fall.

Student name	-			
Describe your plans for graduate school next year				
School(s)/department				
Supervisor name				
Application status				
Additional information (attach letter if you like)				
Part 2: To be completed by potential super	visor			
Part 2: To be completed by potential super	visor			
Part 2: To be completed by potential super	visor	High	Unknown	
Part 2: To be completed by potential super Potential Supervisor name	visor ———	High 	Unknown 	
Part 2: To be completed by potential super Potential Supervisor name 1. Likelihood of student pursuing a research career 2. Overall research ability/potential of student	visor ———	High 	Unknown 	
Part 2: To be completed by potential super Potential Supervisor name 1. Likelihood of student pursuing a research career	visor ———	High 	Unknown ——	
Part 2: To be completed by potential super Potential Supervisor name 1. Likelihood of student pursuing a research career	visor Low			raiget

Comments (send letter to departmental coordinator)

Please comment briefly on the above rankings. Explain how this summer's research will benefit the student (e.g., student will expand on or publish honours research). Indicate where (school, department, supervisor) the student plans to begin graduate studies.

Completed form and supervisor letter go to departmental coordinator.
