

**ERTH 4200/4100 THESIS & RESEARCH PROJECT APPROVAL FORM**

It is the responsibility of students to arrange for a supervisor for their thesis research. Theses in Earth Sciences may be supervised by a faculty member of the department or by an external scientist, subject to the approval of the Honours Coordinator. Projects involving supervision by external scientists also require a Dalhousie-based co-supervisor, although exceptions may be granted.

**Title of research project:**

**Brief description** (150 words or less):

We, the supervisor(s) and student agree that there has been a discussion between us of the objectives, methods and scope of this research project.
