### COURSE INSTRUCTOR(S)

Name	Email	Office Hours
Professor: Jennifer M. Grek Martin	jgrekmartin@dal.ca	LSC, Room TBA

### COURSE DESCRIPTION

Human geography examines the ways that people perceive, use, and alter the landscapes they occupy. This course considers aspects of culture that characterize different social groups, as well as the systems of production, livelihood, spatial organization, and administration that societies erect and which create, change, or destroy the landscapes within which we exist. The class introduces the principal tools of human geographers: maps, demography, and analysis of cultural patterns. This course is about the past, present, and future of how we work and live together – or how we don't and fail.

### COURSE PREREQUISITES

None.

### COURSE EXCLUSIONS

None, but it should be noted that this class cannot be used to meet the life or physical science subject requirement for the BA degree.

### COURSE DELIVERY

This course is a blend of lecture, discussion, and in-class exercises; attendance is highly recommended.

**Tuesdays & Thursdays:** Lecture OR Lecture and discussion/workshops'

**If you miss a lecture:** Lectures will not be recorded, but lecture slides will be provided via Brightspace.

**If you miss a workshop:** You can make up the workshop: it will be due the following week. Testable material.

**If you miss a discussion:** Discussion material is testable. If you miss a discussion, be sure to read any required readings and answer discussion questions that are posted to Brightspace.

*Note: I am committed to teaching—in class, by email, in marking assignments and exams—and you can expect me to be fair and to want you to learn. I encourage questions, discussion, and a safe and inclusive learning environment. If you are having trouble, let me know. For your part, I hope the respect will be mutual and that the next twelve weeks will be an enjoyable learning experience!*

### LEARNING OBJECTIVES

- Introduction of key geographical principles, ideas, and approaches; examination of the history and nature of the discipline and its interdisciplinary and intersectional areas of knowledge,
- Exploration of a range of current issues from a geographical perspective, how these issues developed over time and the impacts they have at various scales from local to international,
- Development of geographic approaches and analyses that can be applied to political, economic, social, natural, and cultural aspects of our world.
- Develop critical thinking and communication skills for academic and work settings.

### ASSESSMENT:

Assignment	Due Date	total%
Workshops (2 @ 15% each)	25 Jan, 19 Mar	30%
Quiz 01 (in class, paper, 60 minutes)	8 Feb	20%
Quiz 02 (in class, paper, 60 minutes)	7 Mar	25%
Quiz 03 (Final Exam period, paper, 60 minutes)	(see schedule)	25%

*Note: Quizzes will test material presented in lectures, discussions, and workshops only!*

Conversion of numerical grades to final letter grades follows the [Dalhousie Grade Scale](#)

A+ (90-100)	B+ (77-79)	C+ (65-69)	D (50-54)
A (85-89)	B (73-76)	C (60-64)	F (0-49)
A- (80-84)	B- (70-72)	C- (55-59)	

### COURSE POLICIES ON MISSED OR LATE ACADEMIC REQUIREMENTS

**LATE ASSIGNMENTS:** Late assignments (i.e., Workshops) will be assessed a 10%/day late penalty unless I have approved an alternate deadline. **Workshops will not be accepted later than three days after the initial deadline and graded as a zero (0) unless I have approved an alternate deadline.**

**MISSED QUIZ: Make-up quizzes will not be provided for any reason.** However, if you miss a Quiz due to illness or family emergency (and only these reasons) email me as soon as possible.

**If I approve your reason for missing a Quiz,** I will reweight the remaining quizzes. If Quiz01 is missed, then Quiz02 = 35% and Quiz03 = 35%. If Quiz02 is missed then Quiz01 = 30% and Quiz03 = 40% OR Quiz03 = 50%, whichever results in a higher Final Grade. If Quiz01 and Quiz02 are missed, Quiz03 will be worth 70%.

If Quiz03 is missed, a make-up exam must be taken in the beginning of the Spring/Summer term. This exam will be cumulative.

## COURSE POLICIES RELATED TO ACADEMIC INTEGRITY

**Workshops:** Collaboration is encouraged, but each person submits their own work for assessment.

**Quizzes:** Individual work only.

*Note: Generative AI (i.e., ChatGPT) may be very useful as a study tool! However, work turned in for assessment should not use generative AI for content.*

## **Accessibility**

The Student Accessibility Centre is Dalhousie's centre of expertise for matters related to student accessibility and accommodation. If there are aspects of the design, instruction, and/or experiences within this course (online or in-person) that result in barriers to your inclusion, please contact the Student Accessibility Centre ([https://www.dal.ca/campus\\_life/academic-support/accessibility.html](https://www.dal.ca/campus_life/academic-support/accessibility.html)) for all courses offered by Dalhousie with the exception of Truro. ## **Conduct in the Classroom – Culture of Respect**

Substantial and constructive dialogue on challenging issues is an important part of academic inquiry and exchange. It requires willingness to listen and tolerance of opposing points of view. Consideration of individual differences and alternative viewpoints is required of all class members, towards each other, towards instructors, and towards guest speakers. While expressions of differing perspectives are welcome and encouraged, the words and language used should remain within acceptable bounds of civility and respect.

## **Diversity and Inclusion – Culture of Respect**

Every person at Dalhousie has a right to be respected and safe. We believe inclusiveness is fundamental to education. We stand for equality. Dalhousie is strengthened in our diversity. We are a respectful and inclusive community. We are committed to being a place where everyone feels welcome and supported, which is why

our Strategic Direction prioritizes fostering a culture of diversity and inclusiveness (Strategic Priority 5.2). Additional diversity and inclusion information can be found at: <http://www.dal.ca/cultureofrespect.html>

### **Student Code of Conduct**

Everyone at Dalhousie is expected to treat others with dignity and respect. The Code of Student Conduct allows Dalhousie to take disciplinary action if students don't follow this community expectation. When appropriate, violations of the code can be resolved in a reasonable and informal manner - perhaps through a restorative justice process. If an informal resolution can't be reached, or would be inappropriate, procedures exist for formal dispute resolution. The full Code of Student Conduct can be found at:
