

# Economic Development Syllabus

## Department of Economics

ECON 3333, Fall 2024

*Dalhousie University acknowledges that we are in Mi'kma'ki, the ancestral and unceded territory of the Mi'kmaq People and pays respect to the Indigenous knowledges held by the Mi'kmaq People, and to the wisdom of their Elders past and present. The Mi'kmaq People signed Peace and Friendship Treaties with the Crown, and section 35 of the Constitution Act, 1982 recognizes and affirms Aboriginal and Treaty rights. We are all Treaty people.*

*Dalhousie University also acknowledges the histories, contributions, and legacies of African Nova Scotians, who have been here for over 400 years.*

#### *Course Exclusions*

None

## **Student Resources**

Please see the course Brightspace page for a list of Faculty of Science Student Resources and Support. Your professor and TA will be available during the semester for office hours. If you are unable to meet your professor during regular office hours, please e-mail him to schedule an appointment. Your professor will only respond to e-mails during normal working hours (8:30AM-4:30PM) on weekdays. Your professor will generally respond to e-mails within 1-2 business days.

## **Course Structure**

### *Course Delivery*

The course will be in-person. Lectures will not be recorded.

### *Lectures*

MW 2:35PM - 3:55PM; LSC C206

### *Laboratories*

None

### *Tutorials*

None

## **Course Materials**

Required Textbook: Essentials of Development Economics, Taylor and Libbert, 3rd edition.  
(available at the Dal Bookstore)

Note: the 2nd edition of the textbook is also acceptable. The content is very similar.

Other *required* assigned readings will be posted to Brightspace.

## Assessment

### *Assignments*

There are seven assignments due throughout the semester. Each assignment will be posted to Brightspace at least one week before it is due. The due dates are as follows:

Assignment 1: Sept 20

Assignment 2: Sept 27

Assignment 3: Oct 11

Assignment 4: Oct 18

Assignment 5: Nov 8

Assignment 6: Nov 22

Assignment 7: Nov 29

Each assignment has equal weight toward the final grade. The lowest assignment grade will be dropped. The assignments are worth 25% of the final grade.

### *Midterm Exam*

The closed-book, in-class midterm exam is worth 25% of the final grade. If the Midterm Exam is missed for **any reason**, the grade weight will be applied to the final exam (the final exam would then be worth 75% of the final grade). The midterm will take place in-class on October 21.

### *Final Exam*

The cumulative, 3-hour Final Exam will be held during the scheduled exam period. It is a closed book exam. The Final Exam is worth 50% of the final grade.

Conversion of numerical grades to final letter grades follows the

[Dalhousie Grade Scale](#)

A+ (90-100)	B+ (77-79)	C+ (65-69)	D (50-54)
A (85-89)	B (73-76)	C (60-64)	F (0-49)
A- (80-84)	B- (70-72)	C- (55-59)	

## **Course Policies on Missed or Late Academic Requirements**

Unless an extension is approved **ahead of time** or there is an emergency, **late assignments will be given a grade of zero**. Medical notes are **NOT** required and will not be accepted. You also do **NOT** need to submit a Student Declaration of Absence form for missed assignments or the midterm exam. However, **if you miss the Final Exam, you must submit a Student Declaration of Absence form ahead of time or receive a zero for the Final Exam**.

If you are absent for the midterm, the weight of the midterm will be applied to the final exam. That is, your final exam would then be worth 75% of your final grade instead of 50%. **There is no make-up midterm exam.**

### **Class Participation:**

**Students are not allowed to use phones, tablets, or computers during class** without the permission of the professor. Use of such devices may reduce your course grade. **There is no grade penalty for missing classes due to illness.**

Classes will not be recorded and lecture videos will not be made available to students. PowerPoint slides will be posted to Brightspace after the day of the lecture.

## **Course Policies related to Academic Integrity**

### **Collaboration Policy**

You are not allowed to work in groups for your assignments. All assignments must be completed **individually**. Students should never submit an assignment that is a copy of another student's work.

### **Plagiarism Detection Software**

Assignments containing essay components may be checked for plagiarism with the Turnitin software program on Brightspace.

**Academic Integrity:** Dalhousie University defines plagiarism as “the submission or presentation of the work of another as if it were one’s own.” All of the content of your assignments are expected to be your own thoughts and words unless that content is cited appropriately. You are expected to have completed the Writing Centre Academic Integrity Module (link on Brightspace). If you have any questions about whether you may or may not be violating the university’s academic integrity policy, contact your professor before submitting the assignment for assistance.

**AI/ Large Language Models (LLM):** Unless you are told to use an AI/LLM program, such as ChatGPT, as part of the instructions of an assignment, **you are not allowed to use AI/LLM programs to assist you in writing your assignments.**

## **Learning Objectives**

- Understand macro (growth) and microeconomic theories of economic development.
- Understand recent empirical research in a range of development economics topics

## University Policies and Statements

### Recognition of Mi'kmaq Territory

Dalhousie University would like to acknowledge that the University is on Traditional Mi'kmaq Territory. The Elders in Residence program provides students with access to First Nations elders for guidance, counsel, and support. Visit or e-mail the Indigenous Student Centre at 1321 Edward St or [elders@dal.ca](mailto:elders@dal.ca). Additional information regarding the Indigenous Student Centre can be found at: [https://www.dal.ca/campus\\_life/communities/indigenous.html](https://www.dal.ca/campus_life/communities/indigenous.html)

### Internationalization

At Dalhousie, 'thinking and acting globally' enhances the quality and impact of education, supporting learning that is "interdisciplinary, cross-cultural, global in reach, and orientated toward solving problems that extend across national borders." Additional internationalization information can be found at: <https://www.dal.ca/about-dal/internationalization.html>

### Academic Integrity

At Dalhousie University, we are guided in all our work by the values of academic integrity: honesty, trust, fairness, responsibility, and respect. As a student, you are required to demonstrate these values in all the work you do. The University provides policies and procedures that every member of the university community is required to follow to ensure academic integrity. Additional academic integrity information can be found at: [https://www.dal.ca/dept/university\\_secretariat/academic-integrity.html](https://www.dal.ca/dept/university_secretariat/academic-integrity.html)

### Accessibility

The Student Accessibility Centre is Dalhousie's centre of expertise for matters related to student accessibility and accommodation. If there are aspects of the design, instruction, and/or experiences within this course (online or in-person) that result in barriers to your inclusion, please contact the Student Accessibility Centre ([https://www.dal.ca/campus\\_life/academic-support/accessibility.html](https://www.dal.ca/campus_life/academic-support/accessibility.html)) for all courses offered by Dalhousie with the exception of Truro. For courses offered by the Faculty of Agriculture, please contact the Student Success Centre in Truro (<https://www.dal.ca/about-dal/agricultural-campus/student-success-centre.html>)

## **Conduct in the Classroom – Culture of Respect**

Substantial and constructive dialogue on challenging issues is an important part of academic inquiry and exchange. It requires willingness to listen and tolerance of opposing points of view. Consideration of individual differences and alternative viewpoints is required of all class members, towards each other, towards instructors, and towards guest speakers. While expressions of differing perspectives are welcome and encouraged, the words and language used should remain within acceptable bounds of civility and respect.

## **Diversity and Inclusion – Culture of Respect**

Every person at Dalhousie has a right to be respected and safe. We believe inclusiveness is fundamental to education. We stand for equality. Dalhousie is strengthened in our diversity. We are a respectful and inclusive community. We are committed to being a place where everyone feels welcome and supported, which is why our Strategic Direction prioritizes fostering a culture of diversity and inclusiveness (Strategic Priority 5.2). Additional diversity and inclusion information can be found at: <http://www.dal.ca/cultureofrespect.html>

## **Student Code of Conduct**

Everyone at Dalhousie is expected to treat others with dignity and respect. The Code of Student Conduct allows Dalhousie to take disciplinary action if students don't follow this community expectation. When appropriate, violations of the code can be resolved in a reasonable and informal manner - perhaps through a restorative justice process. If an informal resolution can't be reached, or would be inappropriate, procedures exist for formal dispute resolution. The full Code of Student Conduct can be found at: [https://www.dal.ca/dept/university\\_secretariat/policies/student-life/code-of-student-conduct.html](https://www.dal.ca/dept/university_secretariat/policies/student-life/code-of-student-conduct.html)

## **Fair Dealing Policy**

The Dalhousie University Fair Dealing Policy provides guidance for the limited use of copyright protected material without the risk of infringement and without having to seek the permission of copyright owners. It is intended to provide a balance between the rights of creators and the rights of users at Dalhousie. Additional information regarding the Fair Dealing Policy can be found at: [https://www.dal.ca/dept/university\\_secretariat/policies/academic/fair-dealing-policy-.html](https://www.dal.ca/dept/university_secretariat/policies/academic/fair-dealing-policy-.html)

## Originality Checking Software

The course instructor may use Dalhousie's approved originality checking software and Google to check the originality of any work submitted for credit, in accordance with the Student Submission of Assignments and Use of Originality Checking Software Policy. Students are free, without penalty of grade, to choose an alternative method of attesting to the authenticity of their work and must inform the instructor no later than the last day to add/drop classes of their intent to choose an alternate method. Additional information regarding Originality Checking Software can be found at: <https://www.dal.ca/about/leadership-governance/academic-integrity/faculty-resources/ouriginal-plagiarism-detection.html>
